SHE DIDN'T WAIT TO BE PERFECT, SHE JUST SHOWED UP!

In a world that constantly tells women to sit down, shrink back, or wait until they're "ready," bestselling author, global speaker, and host of The Muriam Cinevert Show Dr. Muriam Cinevert delivers a soul-stirring response with her breakout devotional, [Girl, Just Show Up: A 30-Day Devotional to Unleash Confidence, Faith & Inner Power](#).

Born from the raw trenches of self-doubt and silence, Girl, Just Show Up is a powerful guide written for the woman who's been everything to everyone... except herself.

For the woman who wonders if she's too late, too broken, or too far gone—this book answers with a resounding: You're not. You are ready.

"I didn't write this because I had it all together. I wrote it because I didn't. And I knew I wasn't alone," says Dr. Cinevert. "This is for the woman who still dares to believe there's more. Who's tired of hiding. Who's ready to reclaim her voice."

Through 30 deeply moving devotionals, Dr. Cinevert masterfully combines inspiration, Scripture, reflection prompts, and action steps to spark real transformation. Each page invites readers to step out of fear and into faith—not with perfection, but with presence.

What Makes This Devotional Different?

It's not polished. it's powerful. Written with raw authenticity that resonates deeply.

It's not passive. it's active. With space to reflect, declare, and respond, this is not a book you just read. it's one you live.

It's not about becoming someone new. It's about returning to who you've always been beneath the layers of life.

Whether you're a woman in transition, in leadership, or simply in need of a reminder that your presence matters, this book is a rallying cry to step out from the shadows and back into your power.

Perfect for personal breakthrough, group devotionals, women's conferences, and gifting. Girl, Just Show Up is already gaining momentum as a must-have resource for women of faith who are ready to stop waiting and start rising.
