London, United Kingdom Jun 19, 2025 ([Issuewire.com](https://www.issuewire.com)) - Chestertons brings together international affiliates, partners, and thought leaders for a day of insight, connection, and shared opportunity in the heart of Mayfair.

Chestertons Global hosted its inaugural Global Summit in London this June, bringing together members of its international network for a day of thought leadership, meaningful dialogue, and future-facing collaboration. Held the day after Chestertons Polo in the Park, where guests experienced world-class hospitality in the Chestertons Suite, the Summit continued the spirit of energy and connection.

Set in an exclusive members club in Mayfair, the event welcomed delegates from across the UK, UAE, Iraq, India, Cyprus, France, Spain, Portugal, Greece, Italy, Romania, and Caribbean markets, including St Lucia, Grenada, Bermuda, and Antigua. The summit session covered global real estate trends, cross-market opportunities, and strategic insights from key regions, with dedicated content tailored to both sales and lettings professionals.

Notable contributions came from Chestertons UK and MENA teams, alongside valued partners Relevance PR and the International Multiple Listing Service. Special highlights included focused

sessions on the London and Dubai markets, offering practical intelligence for global agents and investors alike.

Reflecting on the day, Mohamed Mussa, Executive Director of Chestertons Global, said:

“The energy, ideas, and ambition that filled the room reflect exactly what Chestertons Global stands for. This Summit marks just the beginning of deeper collaboration across borders.”

Guests also enjoyed a curated tour of two landmark developments, Chelsea Waterfront and The Bryanston, offering an inside look at the capital’s super-prime investment landscape.

The Summit concluded with an intimate dinner at Paper Moon, hosted in the historic Old War Office, where conversations continued over contemporary Italian cuisine.

“The Chestertons Global Summit was more than an event, it was a celebration of our network, our diversity, and the shared values that guide us forward,” said Parikshat Chawla, Director and Head of Global Operations. “We are proud to have united such a dynamic group in London and look forward to what we will build together.”
