

Globalstar Company Celebrates 9 Years of Trusted Pharmaceutical Solutions

Globalstar Company, a leading name in pharmaceutical and surgical exports, is proud to mark its 9th anniversary of serving global healthcare needs with unwavering quality and innovation.

Globalstar

Nagpur, Maharashtra Jun 25, 2025 ([IssueWire.com](https://www.issuewire.com)) - Globalstar Company, a leading name in pharmaceutical and surgical exports, is proud to mark its **9th anniversary** of serving global healthcare needs with unwavering quality and innovation.

Founded in 2016, Globalstar began with a clear mission: to ethically deliver reliable and affordable healthcare solutions across borders. Today, the company offers **7,000+ products** across **30+ therapeutic segments**, including essential medicines, medical consumables, surgical equipment, and more.

“Our commitment has always been to provide safe, effective, and diverse healthcare products with a human touch,” said **Ritesh Gajwani, Partner of Globalstar Company**. “Reaching this milestone is a testament to the trust of our clients and the dedication of our team.”

Operating from India, Globalstar collaborates with top-tier manufacturers to offer a wide portfolio, from tablets and injectables to hospital-grade equipment and skincare. The company has built strong international ties and maintains stringent quality control, ensuring compliance with global regulatory standards.

Looking ahead, Globalstar is expanding its footprint in emerging markets, with a focus on **sustainability, digital integration, and personalized client support**. The company continues to adapt to the evolving global healthcare landscape while upholding the values of **integrity, reliability, and care**.
