

GPS Renting Launches Generous Referral Program to Reward Community Advocates

Earn \$500 for every successful property owner referral—no limit on the number of referrals you can make.

The graphic is a promotional poster for the GPS Renting Referral Program. It features a green background with white and yellow text. At the top left is the GPS Renting logo with the tagline 'Professional | Honest | Kind'. Below it, the words 'REFERRAL PROGRAM' are written in large, bold, green letters. Underneath, the text 'Help Your Friends and Get Rewarded!' is displayed. A paragraph explains that GPS Renting believes satisfied clients are their strongest advocates and has introduced a referral program. To the right, three circular images are connected by a green arrow: the first shows a man and a woman shaking hands, the second shows a hand signing a document, and the third shows a hand receiving a stack of cash. A red starburst graphic with the text 'EXTRA BONUS!!' is placed near the cash. At the bottom, there are social media icons for Facebook, X, and LinkedIn, each with five yellow stars. To the right of these is a white card with a person icon and five stars. Further right are two QR codes labeled 'Are you an Agent?' and 'Are you an Owner?'.

REFERRAL PROGRAM

Help Your Friends and Get Rewarded!

At GPS Renting, we believe that satisfied clients are our strongest advocates. That's why we're excited to introduce our referral program.

EXTRA BONUS!!

Are you an Agent? Are you an Owner?

Kenmore, Washington Jun 24, 2025 ([Issuewire.com](https://www.issuewire.com)) - GPS Renting, a leading property management company serving the greater Seattle area, has officially launched its *Referral Program*, offering generous rewards to clients, vendors, and community members who refer new property owners to the company.

The program is simple: anyone who refers a property owner who signs a management agreement with GPS Renting will receive a \$500 referral bonus. There's no cap on the number of referrals a person can make.

"We believe great relationships drive great business," said a GPS Renting spokesperson. "Whether it's a friend, family member, coworker, or real estate investor looking for trusted management support, we want to thank our community for pointing them our way."

How It Works

Participants can submit their referrals using the quick and secure online form at gpsrenting.com/referral-program. Once the referred owner signs a management agreement, the referrer receives \$500 via check or digital payment—typically within 30 days.

GPS Renting encourages referrals from:

- Existing clients
- Real estate agents and brokers
- Contractors, vendors, and service providers
- Friends and neighbors of property owners

Why Refer to GPS Renting?

GPS Renting stands out with its comprehensive leasing services, maintenance coordination, financial reporting, and tenant screening—all designed to simplify ownership and maximize rental returns. With a reputation for responsive service and consistent five-star reviews, the company has become a trusted partner for Seattle-area property owners.
