

Gregory Keelen, DO, FAAEM, FACEP: Pioneering Physician and Visionary CEO of LVL-1 Group

Redefining Community Healthcare with Compassion, Innovation, and Purpose in Austin

New York City, New York Jun 24, 2025 ([Issuewire.com](https://www.issuewire.com)) - Gregory Keelen, DO, FAAEM, FACEP, a seasoned physician with over 35 years of experience in emergency medicine, has announced the launch of LVL-1 Group, a groundbreaking organization dedicated to providing exceptional, community-based patient care. This physician-owned initiative aims to revolutionize the healthcare landscape by prioritizing patient needs and fostering collaboration among local healthcare professionals.

Dr. Keelen, a 2003 graduate of the Kansas City University of Medicine & Biosciences, completed his residency in emergency medicine at Texoma Medical Center from 2003 to 2006. His extensive career includes various positions across multiple hospital departments, equipping him with a profound understanding of the healthcare system's intricacies. As a Diplomate of the American Osteopathic Board of Emergency Medicine and a Fellow of both the American Academy of Emergency Medicine and the American College of Emergency Physicians, Dr. Keelen is committed to advancing medical excellence.

Recognizing the challenges facing the healthcare sector, Dr. Keelen established LVL-1 Group in 2022 to address these concerns head-on. "The primary responsibility of a healthcare team is to provide the highest level of care to their patients and community," Dr. Keelen emphasizes. He believes that unity among local healthcare professionals is essential to harnessing their collective strengths, which can lead to improved patient outcomes and a more robust healthcare environment.

LVL-1 Group stands out as a physician-owned organization, free from corporate influences, allowing its members to focus solely on patient care. The Group embodies the passion and dedication of its physicians, who are committed to working tirelessly to enhance the health and well-being of their community. By placing patients at the forefront of their mission, LVL-1 Group seeks to set a new standard for quality healthcare services.

Dr. Keelen's vision for LVL-1 Group is not just about healthcare delivery; it is a call to action for all local healthcare providers to come together as a family, sharing knowledge and resources to create a healthier community. As LVL-1 Group continues to grow, it aims to inspire a new era of collaboration and patient-centered care in Austin.
