Guatemala, Guatemala Jun 26, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Acclaimed Guatemalan Hip Hop artist Latin Nova presents his heartfelt new single, "Huehuetenango: Mi Xinabajul", a powerful tribute to the land where he was born and raised. The track is a lyrical ode to Huehuetenango, the artist's hometown and a sacred region for the Maya people.

Blending modern Hip Hop rhythms with traditional rural music elements, “Huehuetenango: Mi Xinabajul” captures the spirit of a land rich in history, resilience, and ancestral pride. The song celebrates the Xinabajul identity, weaving personal stories with universal messages about love for one's homeland and cultural preservation.

“This song is my love letter to Huehuetenango — the land where I was born, where I grew up, where I fell in love with music, with life, and with my people's history,” says Latin Nova. “It’s a tribute to our Mayan roots and a reminder to the world of the beauty, strength, and spirit of our culture.”

The track blends introspective lyrics with dynamic production, layering country instruments over contemporary Hip Hop beats—creating a bridge between tradition and modern expression.

“Huehuetenango: Mi Xinabajul” will be available on all digital platforms starting July 1, 2025. Latin Nova invites audiences everywhere to discover a piece of his homeland and join him in honoring the enduring spirit of the Maya people.
