

Habitat for Humanity Greater Salt Lake Announces 2025 Gala: “Unmask the Power of Giving”

Salt Lake City, Utah Jun 4, 2025 ([Issuewire.com](https://www.issuewire.com)) - Habitat for Humanity of the Greater Salt Lake Area invites individuals and businesses to support its 2025 Gala, *"Unmask the Power of Giving,"* a vibrant masquerade event to raise funds and awareness for affordable housing in Utah. The gala will take place on **Thursday, June 5, 2025**, at **The Commercial Club** in Salt Lake City, offering an unforgettable evening of celebration, connection, and impact.

This black-tie event will feature a New Orleans-style dining experience, handcrafted mocktails and cocktails, themed music, a special guest speaker, and exclusive live and silent auctions. Guests will also enjoy an opportunity to draw and interactive fundraising activities—all benefitting Habitat for Humanity's mission to build homes, communities, and hope.

In addition to the festivities, Habitat for Humanity Greater Salt Lake will present two prestigious awards:

- The **Community Builder Award** will be presented to **Bhava Title Insurance Agency**, accepted by **Brooke Adair**, in recognition of their steadfast commitment to supporting Habitat families through every step of the homebuying journey. Their partnership has helped ensure hundreds of smooth, successful closings and lasting community impact.
- The inaugural **Carter Legacy Award** will honor **Lyn Felton**, a longtime volunteer, advocate, and friend of Habitat. This award, named in tribute to President Jimmy Carter's legacy of humanitarian service, celebrates individuals who have gone above and beyond in advancing Habitat's mission. Lyn's leadership, heart, and decades of hands-on dedication have helped build more than homes—they've built hope.

"With housing costs rising and the need for affordable, safe homes growing every day, this gala is more than a party—it's a call to action," said Carin Crowe, CEO of Habitat for Humanity Greater Salt Lake. "We're thrilled to honor Brooke and Lyn, two incredible champions who remind us that building community takes all of us."

Since its founding, Habitat for Humanity Greater Salt Lake has empowered over 440 individuals to achieve homeownership, provided critical home repairs to over 1,000 residents, and removed more than 6,000 tons of yard waste—significantly improving health, safety, and stability for families across the region.

Supporters can get involved by purchasing tickets, becoming sponsors, or donating auction items. Sponsorships offer businesses a powerful way to demonstrate their commitment to community impact while enjoying premier recognition at the event. For those unable to attend, direct donations are welcome and will go straight to supporting families in need.

Tickets and sponsorships are available now. Early reservations are encouraged as space is limited.
