

Janna K. Yohe: A Leader in Outpatient Cardiac Rehabilitation at Saint Francis Health System

Oklahoma Nurse Utilizes Expertise to Enhance Patient-Centered Care and Improve Cardiac Health Outcomes

New York City, New York Jun 19, 2025 ([Issuewire.com](https://www.issuewire.com)) - Janna K. Yohe, RN, Supervisor of Outpatient Cardiac Rehabilitation at Saint Francis Health System, is making significant strides in the realm of cardiac care by applying her extensive knowledge in ambulatory care and nursing. With a career dedicated to supporting patients in their journey towards improved cardiac health, Janna has

become a pivotal figure in the outpatient rehabilitation efforts within the healthcare community.

Her educational background is impressive; Janna earned her Degree in Family Relations and Child Development from Oklahoma State University in 1986, followed by a Bachelor of Science in Nursing Degree from The University of Tulsa in 1996. Her academic achievements laid a solid foundation for her career in nursing, where she has consistently demonstrated a commitment to patient-centered care.

In her current role, Janna plays an instrumental part in enhancing cardiac health outcomes through collaborative efforts and adherence to evidence-based practices. Her expertise in managing outpatient services not only improves care delivery but also fosters a strong sense of teamwork among healthcare professionals. Janna's leadership style is characterized by her ability to motivate and inspire her colleagues to work collaboratively for the benefit of their patients.

Additionally, Janna is an active member of the American Association of Cardiovascular and Pulmonary Rehabilitation (AACVPR), a multidisciplinary professional association dedicated to the advancement of cardiac and pulmonary rehabilitation. She holds the national certification of Certified Cardiac Rehabilitation Professional (CCRP) through AACVPR, demonstrating her advanced knowledge, clinical expertise, and commitment to excellence in the field. Her involvement in this organization underscores her dedication to continuous learning and professional development, as well as her passion for improving the lives of patients with cardiovascular diseases.

Beyond her professional accomplishments, Janna is deeply committed to giving back to the nursing community. She believes in the importance of mentorship and actively supports aspiring nurses in their careers. Having known from a young age that she wanted to be a nurse, Janna takes pride in her ability to connect with patients, bringing joy and comfort to those she serves.

As healthcare continues to evolve, Janna K. Yohe remains a steadfast advocate for patient care and a leader in outpatient cardiac rehabilitation. Her contributions not only impact her patients but also inspire her colleagues and the next generation of healthcare professionals.
