

Jennifer A. Monaco, DPM, FACFAS, DABPM: Expert Foot & Ankle Surgeon Transforming Care in Columbus, Georgia

Delivering Cutting-Edge Podiatric Solutions at Ankle and Foot Centers of America – Columbus

New York City, New York Jun 27, 2025 ([Issuewire.com](https://www.issuewire.com)) - Jennifer A. Monaco, DPM, FACFAS, DABPM, a board-certified podiatrist, is taking foot and ankle care to new heights at the Ankle & Foot Centers of America in Columbus, Georgia. With a strong commitment to excellence, Dr. Monaco

provides a full spectrum of advanced foot care services to patients of all ages and backgrounds, ensuring that each individual receives the highest quality of care in a welcoming and compassionate environment.

Understanding the profound impact that foot and ankle issues can have on daily life, Dr. Monaco specializes in both surgical treatment and reconstructive surgery for a wide array of conditions affecting the lower extremities. These conditions range from common ailments such as ankle sprains and fractures to more complex issues like tendon injuries and plantar fasciitis. Dr. Monaco's approach emphasizes not only effective treatment but also education, empowering her patients to maintain optimal lower extremity health.

“As your doctor, I strive to provide the most cutting-edge, all-inclusive surgical and nonsurgical foot and ankle care with a personal touch,” Dr. Monaco states. “By fostering a friendly, inclusive environment for healing, I aim to offer excellent patient care. We focus on informing our patients, employees, and coworkers about the most advanced treatments available. Our diverse methods of care significantly enhance access to our services, allowing us to restore foot and ankle function while ensuring patient satisfaction.”

Dr. Monaco's extensive qualifications underscore her dedication to the field of podiatry. She earned her Doctor of Podiatric Medicine Degree from the esteemed New York College of Podiatric Medicine. Following this, she completed her residency in podiatric surgery at renowned institutions including Scripps Mercy Hospital and Kaiser Foundation Hospital in San Diego, California. Dr. Monaco further honed her expertise through a fellowship in limb lengthening and reconstruction at Sinai Hospital's Rubin Institute for Advanced Orthopedics in Baltimore, Maryland, as well as an A.O. trauma fellowship at Inselspital University of Bern in Switzerland.

After working in a private practice in San Diego, Dr. Monaco returned to academia as an assistant professor at Western University of Health Sciences in Pomona, California, where she taught both academically and clinically. Her journey then led her to the East Coast, where she continued her practice before establishing herself in Columbus, Georgia, where she is an integral part of the Piedmont Columbus medical community.

As a board-certified specialist in foot surgery and reconstructive rearfoot and ankle surgery with the American Board of Foot and Ankle Surgery, Dr. Monaco also possesses advanced training from Healogics®, the nation's leading wound care management firm, certifying her in advanced wound care and prevention for chronic illnesses.

Beyond her clinical practice, Dr. Monaco is dedicated to humanitarian efforts, having led numerous medical missions that focus on providing free foot and ankle reconstructive surgeries in underserved areas. Her commitment to giving back reflects her caring nature and desire to make a positive impact on communities in need.

Dr. Monaco is recognized for her pioneering spirit and dedication to advancing the field of podiatry. As the only surgeon in the Columbus area trained in the Frail technique, she offers patients access to cutting-edge treatments for foot and ankle deformities. One of her notable achievements includes successfully performing a groundbreaking “frame over nail” operation using the Orthofix system for a complex diabetic Charcot deformity, showcasing her innovative approach and expertise in patient care.
