

John2tact Unveils his debut Album "Moonlight Music":

A Raw, Heartfelt Album Created in a Florida Shed

Tallahassee, Florida Jun 16, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Rising artist [John2tact](#) announces his debut album, **Moonlight Music**, dropping **June 22, 2025**. Recorded in a sweltering Florida shed with just a phone and a pigeon's nest for company, this album is a testament to raw talent, grit, and unrelenting passion for music.

Hailing from New York and Pennsylvania, now grinding in Florida, John2tact pours his journey into Moonlight Music. Its soulful melodies and heartfelt lyrics, wrapped in lo-fi production, prove he can

create magic with minimal tools. **“I sweated for hours in that shed, hoping to catch the ear of someone who sees my potential,”** says John2tact. **“This album’s my start—I’m ready to do more with the right support.”**

Aimed at music lovers and industry players, **Moonlight Music** calls out to record labels and production companies hunting for authentic voices. Fans in Florida, New York, and Pennsylvania will vibe with John2tact’s roots and hustle. The album hits all major streaming platforms June 22.
