KASA Recovery Center in Los Angeles, CA, provides comprehensive addiction treatment and recovery services. With personalized care and a supportive environment, KASA helps individuals overcome addiction and build a healthier, sustainable life.

KASA Recovery

Los Angeles, California Jun 19, 2025 ([IssueWire.com](https://www.IssueWire.com)) - KASA Recovery, located at 5369 W. Pico Blvd, Los Angeles, CA 90019, is proud to announce its commitment to transforming lives through comprehensive and individualized addiction recovery services. With a full spectrum of evidence-based

treatment options, KASA Recovery serves as a trusted resource for those seeking help with alcohol and substance use disorders.

Operating with both flexible treatment schedules and accessible communication, KASA Recovery provides accessible, client-focused care through a variety of programs, including:

- **Partial Hospitalization Program (PHP)**
- **Intensive Outpatient Program (IOP)**
- **Outpatient Program (OP)**
- **Medication-Assisted Treatment (MAT)**

“At KASA, we believe in healing the whole person, not just treating the addiction,” says Karina, spokesperson at KASA Recovery. “Each client receives a personalized treatment plan that addresses their emotional, social, physical, and professional well-being, giving them the tools to build lasting recovery and also live a fulfilled, joyful life.”

KASA Recovery stands out with its holistic approach, offering not just clinical therapies but also alternative and expressive healing options, such as:

- **Individual and Group Counseling**
- **Family Therapy and Court Liaison Services**
- **Art and Music Therapy**
- **Yoga and Mindfulness Practices**

Their professional team understands that no two people’s recovery journeys are the same. With a nurturing, confidential, judgment-free environment and flexible treatment options, KASA Recovery empowers individuals to take control of their lives and sustain long-term sobriety.

With extended weekday hours and weekend availability, KASA is committed to making treatment accessible to all. The facility welcomes individuals ready to take the first step toward a healthier future and offers the support needed every step of the way.
