

Keira L. Bex, NP: Compassionate Care in Gastroenterology and Family Medicine

Delivering Patient-Centered Healthcare Across Indiana with Expertise and Empathy

New York City, New York Jun 25, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Keira L. Bex, a dedicated Nurse Practitioner with over nine years of experience, provides compassionate and comprehensive care in gastroenterology and family medicine at Indiana University Health Bloomington Hospital. Her commitment to patient-centered care and her extensive training make her a trusted healthcare provider in the Bloomington community.

Keira Bex earned her Master of Science in Nursing from Western Governors University and a Post-Master's Certificate from Indiana Wesleyan University. She is board-certified as a Family Nurse Practitioner and is licensed to practice in Indiana. Her clinical expertise encompasses a wide range of conditions, including chronic diseases, digestive disorders, and preventive care. She is affiliated with several IU Health facilities, including Bloomington, Paoli, and Bedford hospitals, and is a member of the IU Health Southern Indiana Physicians group.

Patients consistently commend Keira for her empathetic approach and thorough communication. She strives to ensure that each patient feels heard and understood, fostering a trusting and supportive healthcare environment. Her dedication to patient care is reflected in her high patient satisfaction ratings.

In addition to her clinical practice, Keira is an advocate for health education and preventive care. She actively engages in continuous learning to stay abreast of the latest medical advancements, ensuring that her patients receive the most current and effective treatments available.

Keira Bex is currently accepting new patients. Appointments can be scheduled by calling (812) 355-6900. For more information about her practice and services, please visit Indiana University Health Bloomington Hospital's provider page.
