

Kristina Kniffen, LPN: Champion of Compassionate Care in Nursing

Florida Nurse Celebrates Over a Decade of Dedication to Geriatrics and Veteran Care

New York City, New York Jun 17, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Kristina Kniffen, a Licensed Practical Nurse with a decade of experience, is making waves in the nursing community with her unwavering commitment to patient care, particularly among the geriatric and veteran populations. Known for her compassion and skill, Kristina has built a stellar reputation in the healthcare field, serving as a beacon of hope and support for those she cares for.

Graduating from Idaho State University in 2009, Kristina dedicated her career to enhancing the lives of her patients. Currently employed by the U.S. Department of Veterans Affairs, she focuses on wellness nursing and primary care for veterans. Her deep sense of empathy and purpose drives her work, underscoring her belief in the fundamental values of communication, safety, and trust in healthcare.

Kristina's passion for nursing is evident in her interactions with patients, especially the elderly. She takes great pride in her ability to connect with geriatric patients, ensuring they receive the compassionate care they deserve. Her commitment extends beyond her professional duties; in her spare time, Kristina actively contributes to her community by creating and donating quilts to homeless shelters for veterans, showcasing her dedication to giving back.

Her exceptional work has not gone unnoticed. In 2019, Kristina received a prestigious Presidential Award, recognizing her outstanding contributions to the field of nursing. Most recently, in 2023, she was nominated for the esteemed Daisy Award, an honor that celebrates extraordinary nurses who provide exceptional care to their patients.

"I believe that nursing is not just a job; it's a calling," Kristina said. "Every day, I strive to make a difference in the lives of my patients, and I am grateful for the opportunity to serve those who have served our country."

As Kristina Kniffen continues her journey in nursing, she remains committed to advocating for quality patient care and supporting the unique needs of veterans and the elderly. With her compassion and dedication, she looks forward to many more years of making a positive impact on the lives of her patients.
