

M.K Lighting Sets New Benchmark in Custom Chandelier Manufacturing for Indian Banquet Halls

Delhi-based lighting manufacturer continues to transform commercial spaces with handcrafted luxury chandeliers across India

New Delhi, Delhi Jun 2, 2025 ([Issuewire.com](https://www.issuewire.com)) - At **M.K Lighting**, we've always believed that a chandelier is more than just a lighting fixture — it's a statement. For over 15 years, we've been **designing and manufacturing custom chandeliers** that elevate the atmosphere of India's finest **banquet halls, luxury hotels, villas, and duplex homes**.

Operating legally under the name **M.K Lighting & Electrical** (GST No. 07AAXFM9626P1Z2), we proudly run our **in-house factory showroom in Sarita Vihar, New Delhi**, where every chandelier is carefully built, combining detailed craftsmanship with solid engineering.

Our journey has taken us to some of the most iconic venues in India and abroad. We've delivered **grand crystal chandeliers** for:

- **Radisson Blu – Noida Sector 18**
- **The Khyber Gulmarg**

- **Green Tulip Banquet – Amritsar**
- **Palm Classic – Barnala**
- **Casino Kathmandu – Nepal**
- **Premium villas and duplex homes in Dubai and South India**

Each project is custom-developed to reflect the space's vision and scale, from multi-tier banquet chandeliers to modern designer patterns for luxury homes.

Our team includes 20+ trained professionals and a strong nationwide network of 500+ electricians and fabricators, allowing us to manage every project from design to dispatch.

We specialize in:

- **Custom-designed crystal chandeliers**
- **Rectangular, round, oval, and zigzag ceiling chandeliers**
- **Statement lighting for banquet ceilings**
- **Luxury fixtures for hotels, villas, and duplex living rooms**
