

Mumbai Hosts Powerful Premiere of The Protagonist Show and Launch of Sheroes Amongst Us

Mumbai event celebrates women's courage with The Protagonist Show and book launch of Sheroes Amongst Us, featuring real-life stories of resilience and inspiration.

Mumbai, Maharashtra Jun 24, 2025 ([Issuewire.com](https://www.issuewire.com)) - In a stirring evening of storytelling, empowerment, and emotion, *The Protagonist Show* premiered alongside the launch of the book *Sheroes Amongst Us – Real Women Real Stories* at an exclusive event on June 21. Held in Mumbai, the event was powered by **Etherwire.ai**, a Multiplaylist Platform, and **F13 Happenings**.

Co-authored by **Falguni Desai** and **Dr. Amit Nagpal**, the book highlights real-life stories of women who transformed adversity into strength, inspiring audiences to recognize the hero within. These stories were brought to life through *The Protagonist Show*, an innovative family entertainer that merges literature with live-action narrative.

Jyoti Rai, Founder of Etherwire.ai and one of the featured Sheroes, shared, “We created a tribute that reimagines books as mainstream, heart-touching entertainment. It’s a new way to honour authors and inspire families.”

The evening resonated with students, professionals, and families. Emotional reflections poured in from speakers including **Col. S.S. Chandhoke**, **Vaishali Babu**, and **Ranjana Maitra**, who praised the show's heartfelt message.

Filmmaker **Shashie Verma**, whose studio Sceneworks collaborated on the project, added, "This is just the beginning of telling a million untold stories."

Protagonists **Dr. Shilpi Thapar**, **Rajani Tiwari**, and **Roma Balwani** echoed the sentiment: *"This wasn't just a celebration—it was a mirror, a movement, and a memory."*
