

MuslimAi: A Digital Islamic Companion Offering Faithful AI for the Modern Ummah

Introducing an inclusive AI companion designed to support Muslims through halal validation, mindful learning, companion, a friend and heartfelt conversations—MuslimAi offers warmth where tech often feels cold. Available at <https://www.muslimai.ai/>

Jakarta, Indonesia Jun 8, 2025 ([Issuewire.com](https://www.issuewire.com)) - MuslimAi introduces a new kind of digital spiritual experience—an Islamic AI companion designed to bring empathy, understanding, and faith-based reflections to the Muslim community in today’s digital world.

Founded by Nurana Indah Paramita, widely known as Mita, MuslimAi was born out of a desire to provide a safe, warm, and relatable space for Muslims navigating daily life in an increasingly digital era.

> “MuslimAi isn’t just a place to ask questions. It’s a presence. A listening friend. A keeper of the soul,” Mita shares.

 Key Features:

AI Mindful Learning: guidance for Muslims with Qur’anic values

Islamic AI Companion: characters that offer thoughtful dialogue and spiritual reflection

Halal Check AI: product halal verification using AI NLP and open-source data

Whether you're feeling lost, lonely, or simply curious about Islam—MuslimAi is here for you. This platform is not only for Muslims but also for anyone seeking warmth, understanding, and a safe space to explore Islam with dignity.

Powered by AI, but guided by mercy, MuslimAi is a companion—not a judge. A friend in your pocket, built with love and guarded with responsibility.

All content is moderated and curated with care to ensure it reflects the heart of Islamic values—rahmah, adab, and sincerity.

MuslimAi is now accessible through its mobile web version:
