Coimbatore, Tamil Nadu Jun 23, 2025 (Issuewire.com) - OnePageHoroscope.com, which is one of the fastest-growing astrology service platforms, announced today that it has launched its Free Online Kundali tool, allowing users to create detailed horoscope reports for marriage and life predictions - all for free. This launches supports many Indian languages including Tamil and Hindi to support the unique spiritual and astrological preferences of users in India and around the world.

With just a few basic birth details (date, time, and place), users can now generate a detailed [kundali by date of birth](#) that not only explains personality traits, but also planetary positions, doshas, periods of favorability, and marriage compatibility.

The platform also provides customers with kundali compatibility matching in Tamil for couples who wish to evaluate compatibility based on Vedic astrology. This is intended to simplify the match-making process for Tamil-speaking consumers, so they can be sure their results are both culturally relevant and astrologically valid.

Hindi-speaking individuals will also benefit from the availability of online kundali in Hindi language to ensure customers have accurate access and understanding of their personal horoscopes.

“We want to make authentic astrology more accessible and trustworthy,” said a representative from OnePageHoroscope.com. “Our new kundali tool is free and developed from classical Vedic calculations, so users are receiving authentic predictions and match-making information.”

Users can visit [onpagehoroscope](#) and try the new free online kundali with a vast range of astrology services in their language of preference.

Key Features:

- Free kundali generation in Tamil, Hindi, and more
- Accurate [kundali matching in Tamil](#) for marriage compatibility
- Instant **kundali by date of birth** with detailed analysis
- Mobile-friendly, no app download required
