

Paula Harrison, NP-C, CRNFA, CNOR: Championing Excellence in Surgical Assistance at MPOWERHealth

Elevating Patient Outcomes and Multispecialty Surgical Care Across Dallas-Fort Worth

New York City, New York Jun 22, 2025 ([Issuewire.com](https://www.issuewire.com)) - MPOWERHealth proudly announces the leadership of Paula Harrison, NP-C, CRNFA, CNOR, a highly skilled Certified Nurse Practitioner, Certified Registered Nurse First Assistant, and Certified Nurse Operating Room. With extensive expertise in surgical assistance across multiple specialties, Paula plays a crucial role in enhancing surgical care and patient outcomes in the Dallas-Fort Worth area.

Her impressive career spans over three decades, beginning with her Bachelor of Science in Nursing from Abilene Christian University in 1986. Paula's commitment to advancing her knowledge and skills led her to earn a Master of Science in Nursing with a focus on Adult Health Nurse/Nursing from Texas Woman's University in 2008. This educational foundation has equipped her with the necessary skills to provide exemplary care in various surgical settings.

As a Team Manager at MPOWERHealth, Paula oversees the surgical assist team in the DFW area, ensuring that surgeons receive high-quality, consistent support in the operating room. She is dedicated to fostering a collaborative environment that prioritizes patient safety and surgical efficiency.

Paula's diverse background also includes significant experience in assisting with various surgical procedures, including orthopedic, vascular, general, gynecological, and robotic surgeries. Her time spent working in an orthopedic clinic further enhances her ability to deliver comprehensive care to patients undergoing complex surgical interventions.

MPOWERHealth is dedicated to improving surgical outcomes and patient experiences through innovative healthcare solutions. With leaders like Paula Harrison at the helm, the organization continues to set a high standard for surgical assistance in the Texas healthcare landscape.
