Kozel Drops Explosive New Track “Viral (Fire Pit)”

Portland, Oregon Jun 22, 2025 ([Issuewire.com](https://www.issuewire.com)) - Independent rapper and lyrical storyteller **Kozel** is making waves in the hip-hop scene with the upcoming release of his high-energy banger “**Viral (Fire Pit)**,” dropping Friday, June 27th on **SoundCloud** and **YouTube**. The hard-hitting track offers fans a fiery preview of Kozel’s upcoming 14-song mixtape *FREEWrites*, set to hit all major streaming platforms on **September 19th, 2025**.

Blending raw lyricism with intellectual depth, **Kozel** has carved out a distinct sound that’s as emotionally charged as it is thought-provoking. Based in **Portland, Oregon**, the rising rapper is known for weaving together themes of love, resistance, science, and self-reflection with beats that slap and verses that stick.

“‘*Viral (Fire Pit)*’ is pure energy,” says Kozel. “It’s a track designed to get people on their feet, hyped, and locked into the flow. It represents the power, intensity, and lyrical finesse that define the whole *FREEWrites* project.”

The full *FREEWrites* mixtape will roll out **one track a week over 14 weeks**, showcasing Kozel’s signature blend of heartfelt emotion and cerebral storytelling. With a unique voice and a fearless approach to music, Kozel’s sound stands out in today’s saturated rap market.
