

Quality Care Building Cleaning and Maintenance Services LLC Launches Comprehensive AC Cleaning Services in Dubai

Leading UAE cleaning company expands specialized HVAC services to meet growing demand for indoor air quality solutions

Dubai, United Arab Emirates Jun 12, 2025 ([Issuewire.com](https://www.issuewire.com)) - Quality Care Building Cleaning and Maintenance Services LLC, a premier professional cleaning company based in Dubai, today announced the official launch of its comprehensive AC cleaning and duct disinfection services in Dubai. The launch reinforces the company's commitment to providing specialized cleaning solutions that enhance indoor

air quality and system efficiency across the UAE.

Quality Care's new [AC cleaning services](#) encompass complete air conditioning system maintenance, including ductwork cleaning, disinfection, and HVAC system optimization. The services are designed to improve air quality, reduce energy consumption, and extend the lifespan of AC systems in residential, commercial, and hospitality properties throughout Dubai.

"We are excited to bring our specialized AC cleaning expertise to Dubai's growing market," said a spokesperson for Quality Care Building Cleaning and Maintenance Services LLC. "With Dubai's climate demanding year-round air conditioning use, regular AC maintenance and cleaning are essential for optimal performance, energy efficiency, and healthy indoor environments."

The company's AC cleaning services are fully approved by all relevant UAE municipalities and utilize advanced cleaning technologies and eco-friendly disinfection methods. Quality Care's certified technicians provide comprehensive solutions that address dust accumulation, bacterial growth, and system inefficiencies that commonly affect AC units in the region's challenging climate conditions.

Quality Care Building Cleaning and Maintenance Services LLC has established a strong reputation serving prestigious clients including EMAAR, Hilton, The Ritz Carlton, Grand Hyatt, Hyatt Regency, Raffles, and Al Habtoor Group. The company's proven track record in delivering high-quality cleaning services to luxury hospitality and commercial properties demonstrates its commitment to excellence and reliability.

In addition to AC cleaning, Quality Care offers a comprehensive range of specialized services including water tank cleaning, kitchen duct cleaning, and complete HVAC system maintenance. The company operates across all seven emirates of the UAE, with established operations in Abu Dhabi, Dubai, Sharjah, Ajman, Fujairah, Ras Al Khaimah, Umm Al-Quwain, and Al Ain.

The launch of AC cleaning services in Dubai represents part of Quality Care's strategic expansion to meet the increasing demand for professional cleaning solutions in the UAE's commercial and residential sectors. The company's municipality-approved services ensure compliance with local health and safety regulations while delivering superior results.
