Jabalpur, Madhya Pradesh Jun 15, 2025 ([IssueWire.com](https://www.issuewire.com)) - CRM Guru Launches Revolutionary WhatsApp-Integrated CRM for Real Estate Professionals

DOAGuru Infosystems today announced the official launch of **CRM Guru**, a next-generation Customer Relationship Management (CRM) platform designed specifically for **real estate professionals**. Built with **WhatsApp integration, AI-driven automation**, and intuitive dashboards, CRM Guru is releasing soon redefine how agents manage leads, follow-ups, and client relationships.

In a market where speed, trust, and automation are everything, CRM Guru provides a **single, smart solution** that replaces manual spreadsheets, scattered communications, and outdated CRM systems.

Built for Agents Who Want Results—Not Just Features

With CRM Guru, we didn't just build another CRM—we built a productivity engine for the modern real estate agent. Our platform combines **real-time communication, intelligent lead management**, and **automated follow-ups**—all in one place.”

Key highlights of **CRM Guru** include:

- **Seamless WhatsApp Integration** for direct messaging, updates, and reminders
- **Smart Lead Tagging & Scoring** based on interest level and behavior
- **Automated Follow-Up Sequences** that prevent lead leakage
- **Mobile-Friendly Access** for on-the-go agents
- **Performance Reports & Sales Insights** to drive better decisions

Designed for Indian Realty. Ready for Global Scale.

Whether you're a solo broker or a large real estate firm, CRM Guru is built to scale with your growth. With multi-user access, customizable pipelines, and multi-language support, the platform delivers both **power and flexibility**.

Already trusted by early adopters across India, CRM Guru is helping real estate businesses **close deals faster, improve client retention, and boost overall ROI**.
