

RH7 Sports Signs World-Class Hurdler Tonea Marshall, Strengthening Its Roster of Women Athletes

RH7 Sports Expands Roster with Elite Hurdler Tonea Marshall, Solidifying Its Vision to Redefine Representation for Women in Sports Branding & Marketing.

New York City, New York Jun 19, 2025 ([IssueWire.com](https://www.issuewire.com)) - RH7 Sports is proud to announce the signing of world-class hurdler Tonea Marshall to our roster — joining a powerful and growing lineup of female athletes who are changing the face of modern sport.

Tonea, one of the world's fastest hurdlers, is known for her focus, determination, and intent to use her platform for inspiration. A force on the track and a captivating storyteller off of it, Tonea brings both grit and grace to everything she does. She's not just chasing medals — she's shaping what it means to lead with purpose, on and off the track.

With Tonea's addition, we continue to work towards our vision of supporting the next generation of influential athletes. Our aim is to support athletes in turning their performance into platforms, and their visibility into long-term value — rooted in authenticity, story, and community.

Our current roster includes:

Nicole Yeargin – Two-time Olympic Bronze Medalist, visual artist, and Nike partner representing Great Britain in track & field

Lola Possick – Rising fencing phenom, NCAA Team Champion, Cadet World Cup Champion, and advocate for young women in sport

Kaylene Smikle – Standout NCAA basketball player and fast-rising voice for leadership, confidence, and culture

Tonea Marshall – One of the world's most explosive hurdlers, with a story as magnetic as her stride

Together, these women are at the forefront of a larger industry trend. They're not only athletes but also influential figures in media, fashion, wellness, and tech, reflecting the growing multifaceted roles of athletes in our society today.

"Women's Professional Sports aren't just growing – they're reshaping the entire playbook," said Roderick S. Hawthorne II, Founder of RH7 Sports. "What was once overlooked is now undeniable. A global movement powered by elite talent, cultural influence, and unstoppable fan energy."

RH7 Sports is committed to building long-term, meaningful partnerships that reflect the unique identities and values of each athlete we represent. With Tonea entering a pivotal phase in her career — including international competition and preparation for LA 2028 — we're excited to collaborate on opportunities that feel personal, purposeful, and built to last.

We're not just managing athletes — we're building legacy brands.

Welcome to RH7, Tonea. Let's build something bigger.
