kolkata, West bengal Jun 8, 2025 (Issuewire.com) - Rightway Educational Consultancy, a trusted name in medical education guidance, has officially opened **MBBS admissions for the 2025 academic session**. The consultancy offers expert guidance for students aiming to study **MBBS in India and abroad**, with support in **NEET counseling, university selection, and visa**

documentation.

With growing interest in studying medicine overseas, Rightway has become a go-to consultancy for students interested in **MBBS** .

“Our goal is to make the MBBS journey easy, transparent, and affordable for students,” said the founder of Rightway Educational Consultancy.

The consultancy provides complete assistance, including college selection, admission procedures, travel arrangements, and even hostel setups.

- 📌 100% admission assistance
- 📌 MCI/NMC-approved universities only
- 📌 Personal guidance until students reach campus
