

Rising Australian Rapper 2LOV Releases Raw and Relatable New Emo Rap Track “how do you fight the feeling”

Rising Australian Rapper 2LOV Releases

Cottesole, Perth Jun 29, 2025 ([IssueWire.com](https://www.issuewire.com)) - Australian hip-hop artist **2LOV** is turning pain into power with the release of his emotionally charged new single, **“how do you fight the feeling,”** a haunting emo rap anthem that dives deep into the internal battles of love, struggle, and self-worth.

Known for his passionate delivery and soul baring lyrics, **2LOV** is quickly becoming a voice for those fighting silent wars. Drawing from a dark past and channelling that energy into every bar, he creates music that people going through tough times can **relate to, heal with, and feel seen by.**

“This track is deeply personal. It’s about the feeling of being stuck in your head questioning everything and trying to find strength when your emotions are pulling you under,” says 2LOV. “I put everything I was feeling into this one. I know there are people out there who need this kind of music the same way I did.”

“how do you fight the feeling” delivers raw, vulnerable lyricism layered over moody, atmospheric production — the kind of sound fans of **Juice WRLD, Lil Peep, XXXTentacion, and Trippie Redd** gravitate toward. But what makes 2LOV stand out is his sincerity, daily commitment to the craft, and unshakable hope to inspire his audience to **keep pushing through and chase their dreams.**
