

Roll the Pot: A High-Energy Dice Game That's Easy to Learn and Hard to Put Down

Baltimore-based indie creator Michael launches Roll the Pot, a fast-paced dice and chip game designed for family fun and social gatherings. With easy rules and bold bets, this party-ready game promises excitement and laughter for players of all ages.

Baltimore, Maryland Jun 27, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Michael Allen Launches *Roll the Pot* — A Fast-Paced Dice & Chip Game Bringing Family Fun to Kickstarter

*Indie game designer **Michael Allen** is excited to announce the launch of his Kickstarter campaign for *Roll the Pot: A Game of Lucky Rolls*, a lively and accessible dice and chip game designed to bring fast turns, bold bets, and big wins to players of all ages.*

*Inspired by a passion for social gaming and family-friendly fun, *Roll the Pot* offers an engaging tabletop experience that's easy to learn but full of thrilling moments. The game combines tactile dice rolling with strategic chip betting to create an exciting atmosphere perfect for game nights, parties, or casual gatherings.*

*"With *Roll the Pot*, I wanted to create a game that anyone can pick up and enjoy right away—one that brings people together around the table to laugh, compete, and have a great time," said Michael Allen, creator of the game.*

The Kickstarter campaign is now live and aims to raise \$3,000 to cover production and packaging costs. Early backers can take advantage of exclusive rewards, including prototype editions and special chip designs.

**Roll the Pot* is not just a game—it's a way to make memorable moments with family and friends, where every roll brings new excitement and every bet keeps players on the edge of their seats.*

Support the Campaign

*Backers are encouraged to support *Roll the Pot* on Kickstarter to help bring this energetic and social game to life.*
