

Sagar M. Phatak, MD: A Leader in Urologic Care in Connecticut

Board-Certified Urologist Combines Expertise and Compassion for Optimal Patient Outcomes

New York City, New York Jun 26, 2025 ([IssueWire.com](https://www.issuewire.com)) - Urology Specialists, P.C. is proud to announce that Sagar M. Phatak, MD, a board-certified urologist, continues to provide exceptional urologic care to the residents of Connecticut since joining the practice in 2007. With offices in Middlebury and Southbury, Dr. Phatak specializes in urologic oncology, urologic stone disease, pediatric urology, and male infertility, making him a versatile asset to the community's healthcare landscape.

Dr. Phatak earned his Medical Degree from the University of Pittsburgh School of Medicine in 2001. He completed a demanding residency in both general surgery and urology at Yale-New Haven Hospital, further enhancing his clinical skills and knowledge. Following his residency, he undertook a prestigious six-month research fellowship at the National Cancer Institute - University of Pennsylvania Urologic Oncology Branch. During this fellowship, he focused on pioneering imaging techniques for prostate cancer detection, with his research findings presented at the 2004 National American Urological Association meeting in San Francisco.

As a board-certified member of the American Board of Urology, Dr. Phatak adheres to high standards of care, ensuring that his patients receive safe and ethical urologic treatment. His membership in the Society of Laparoendoscopic Surgeons further reflects his commitment to staying at the forefront of innovative surgical techniques.

In addition to his clinical practice, Dr. Phatak is dedicated to advancing the field of urology through research and published work. His contributions to the understanding and treatment of interstitial cystitis demonstrate his commitment to improving patient outcomes and enhancing the quality of care for those suffering from urological disorders.

Dr. Phatak's dedication to his patients is evident in his compassionate approach to care. He believes in fostering a trusting relationship with each patient, ensuring that they feel comfortable and informed throughout their treatment journey. His expertise, combined with his commitment to ongoing education and research, positions him as a leading urologist in New Haven County.
