

Samantha Graffeo Gardner, MS, DDS: Brings Compassionate, Minimally Invasive Pediatric Dentistry to Boulder

South Boulder Pediatric Dentistry Offers Personalized, Prevention-Focused Care for Children of All Backgrounds

New York City, New York Jun 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. Samantha “Dr. Sam” Graffeo Gardner, DDS, MS, a board-certified pediatric dentist, is transforming children’s dental care in Boulder with the launch of South Boulder Pediatric Dentistry. Located at 805 S Broadway, Suite 103, the practice emphasizes minimally invasive techniques, patient-centered care, and a welcoming environment tailored to each child’s unique needs.

Dr. Sam’s journey to dentistry began in academia, where she pursued a PhD in mathematics. A National Science Foundation grant introduced her to middle school classrooms, reigniting her passion for working with children. This led her to shift careers, earning her dental degree from the University of Colorado and completing a pediatric residency at the University of Florida. Now, with over a decade of living in Boulder, she is committed to serving the local community through her practice.

South Boulder Pediatric Dentistry is designed to make dental visits a positive experience. Dr. Sam and her team focus on prevention and education, employing minimally invasive treatments whenever possible. Techniques and technology such as silver diamine fluoride (SDF), papacarie, Icon resin infiltration, Hall crowns, and lesion sterilization and tissue repair (LSTR) are utilized to preserve natural

tooth structure and reduce the need for sedation or drilling.

The practice is also known for its inclusive approach, accommodating children of all neurotypes and backgrounds. Dr. Sam believes in meeting each patient where they are, ensuring that every child feels seen, understood, and comfortable during their visit. This philosophy has resonated with families, earning the practice a 5-star rating from 81 reviews on Google.

Beyond the clinic, Dr. Sam is an active member of the Boulder community. She enjoys hiking, climbing, and cooking with her husband and three children. Her commitment to community involvement and patient care reflects her dedication to making a lasting impact on children's oral health in Boulder.
