

See Experro Discovery Live At Online Retailer - Stand FL05

Charlotte, North Carolina Jun 25, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Experro is thrilled to announce its participation in the Online Retailer Conference 2025 in Sydney, where it will introduce its all-in-one eCommerce agentic experience platform.

As a next-gen AI-powered solution, Experro Discovery is set to transform the way retailers engage with their customers and optimize the entire shopping experience. The team will be exhibiting at **stand FL05** during the Online Retailer Conference & Expo.

The event will bring together retail tech experts and retail startups from Australia and beyond, providing the perfect stage for Experro to showcase [Gen AI-powered search and product discovery](#).

The platform is designed to enable retailers to seamlessly harness AI agents for commerce, create unified customer profiles, and deliver personalized experiences that significantly reduce cart abandonment and boost customer lifetime value (CLV).

Why Visit Experro at Stand FL05?

The demos at Stand FL05 will showcase the platform's capabilities in detail. Don't miss out!

- **Multimodal Search** - Experience a live demo of Experro's first-of-its-kind multimodal search that combines text and image inputs to deliver more relevant results.
- **B2B Products & Services** - Explore the tailored B2B eCommerce solutions that streamline wholesale operations, simplify inventory management, and offer flexible pricing to boost efficiency and profitability. See it in action during our demo!
- **Personalization** - Explore AI-powered personalization that delivers custom recommendations and content, driving engagement and increasing customer lifetime value (CLV).
- **Website Design and Performance** - Discover how to optimize website design and performance, improving load times, navigation, and mobile responsiveness for a smoother user experience and higher conversions.
- **AI & Automation Use Cases** - See how AI & automation streamlines operations from customer segmentation to order fulfillment; reducing costs and enhancing the customer experience.
- **Omnichannel Solutions** - Watch the omnichannel solutions integrate online and offline channels to deliver a seamless experience that boosts customer loyalty and sales.

CEO's Message: "*We have said...*"

"We have said it before, we will say it again! Our Experro Discovery platform is first-of-its-kind, offering retailers the tools they need to optimize the entire customer lifecycle, from initial engagement to post-purchase.

Unlike any other solution in the market, Experro Discovery empowers online retailers with advanced AI capabilities that enhance every aspect of the customer journey.

We're more than excited to showcase our platform's unmatched capabilities and demonstrate how it can help retailers in Australia and beyond to increase conversions and enhance the end-customer experience."
