Dover, Delaware Jun 2, 2025 ([IssueWire.com](https://www.issuewire.com)) - *Showoff Ventures Inc.*, a global Web3 startup, proudly announces the launch of its multi-chain cryptocurrency **SOFFT Token** and its integrated wallet **SOFFT PAY**, designed to support creators and users on its flagship platform ShowOff.life.

As part of its mission to disrupt the digital creator space, **SOFFT Token** allows users to earn, engage, and monetize their content without waiting for platform thresholds or brand deals. With full integration on **Ethereum (ERC-20)** and **Polygon (MATIC)** networks, SOFFT provides high-speed, low-cost, and scalable token utility across chains.

“We’re giving creators what they deserve — instant rewards and true ownership,” said **Shambhu Nath Gautam**, Founder of Showoff Ventures. “SOFFT is more than a token; it’s a revolution for the talent economy.”

???? SOFFT PAY – The Creator’s Digital Wallet

SOFFT PAY enables seamless token management:

- Store, send, and receive SOFFT Tokens across ERC-20 and MATIC
- Use tokens for platform upgrades, events, and merchandise
- Access real-time rewards from views, contests, and engagement
- Convert tokens to fiat via third-party integrations (coming soon)

???? Key Features of the SOFFT Ecosystem

- **Multi-chain token:** Runs on Ethereum (ERC-20) and Polygon (MATIC)
- **Dual wallet system:** Internal for platform use, public for trading
- **Daily rewards:** Earn coins for watching content and getting views
- **Ad monetization + gamification**
- **AI-powered moderation and fraud prevention**
- **Upcoming:** NFT marketplace, staking, and DAO-based governance

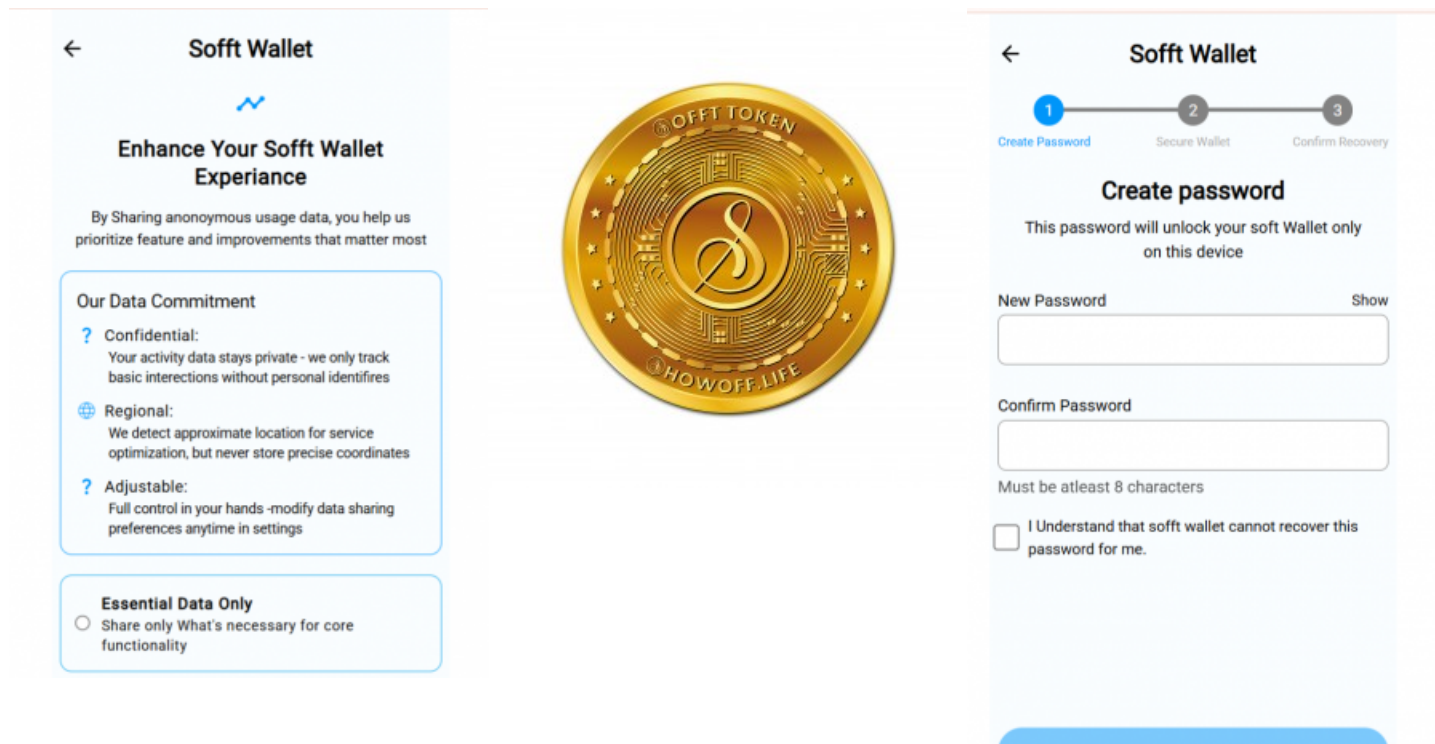

ShowOff.life, operated by **Showoff Ventures Private Limited (India)**, is the primary platform where creators can showcase talents — and earn directly through SOFFT Token.
