

Sonia is a standout as an emerging actress and a formidable international film producer in Hollywood.

Sonia is a rising star, captivating audiences as an emerging actress and making waves as a powerful international film producer in Hollywood. Get ready—she's poised to take both Hollywood and Japan by storm! Excitement is in the air!

Hollywood, California Jun 21, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Sonia is a standout as an emerging actress and a formidable international film producer in Hollywood.

Celebrated Hong Kong actress **Sonia So** (also known as Sonia Aristo) continues to shine in the entertainment industry, showcasing her versatility and talent as one of Hong Kong's most captivating performers. With an impressive career thus far, Sonia has established herself as a prominent figure not only on screen but also within the dynamic media landscape of Hong Kong. She is gearing up to make a mark in both Hollywood and Japan!

After earning her degrees from The Chinese University of Hong Kong and Soka University in Tokyo, Sonia embarked on an exciting journey in the financial sector. She launched her career as an Administrative Officer in the Chairman's Office of Mr. Li Ka-shing and then spent six enriching years at HSBC, assuming diverse roles in IT, Communications, and HR. Her remarkable talent in administration and management was showcased as she played a crucial role in establishing a Type 9 asset management company for the Deng Xiaoping family. Sonia's journey reflects her dedication and expertise in her field, and the impact she makes is truly inspiring!

Sonia has confidently embraced an exciting journey from the corporate world to the vibrant entertainment industry, captivating audiences in over 500 productions, including films, TV dramas, and commercials. Her talent knows no borders, as she has also showcased her skills across the People's Republic of China, Korea, and the Philippines, reflecting her incredible international appeal and enthusiasm for collaboration.

Sonia's dazzling on-screen charisma has catapulted her into the spotlight, earning her coveted spots on a variety of ViuTV shows! One of her most memorable moments was during a riveting interview with the legendary Johnny Hui, where she revealed inspiring insights into health and wellness that captivated audiences.

But that's not all! In the midst of her blossoming acting career in Hong Kong, Sonia landed a thrilling role in a Netflix drama series, filmed in some of the most breathtaking locales across the city. This incredible experience not only showcased her remarkable talent but also let her dive into the stunning and diverse scenery that Hong Kong has to offer. The adventure continues, and Sonia is just getting started!

Sonia SO is a vibrant force of creativity and connection in the international entertainment industry, and her inspiring journey is a testament to unwavering determination and passion! Currently, she's in the thrilling process of uniting investors, film production houses, and local entertainment talents from the bustling streets of Tokyo to the glitzy world of Hollywood and the enchanting landscapes of Italy.

Get ready for two captivating productions that promise to mesmerise audiences: one brings to life the enchanting tales of St. Francis and St. Clare of Assisi, while the other delves into the profound history of the Hiroshima Atomic Bomb. Excitement is in the air as she paves the way for these powerful stories to unfold!

Sonia has authored two novels in the English language and is currently dedicated to bringing her creative works to fruition. When inquired about her roles in these productions, Sonia expressed her enthusiasm, stating her intention to serve as both a Global Producer and one of the actresses in the two endeavours.

Reporters have been captivated by Sonia's novels, which weave enchanting stories of St. Francis and St. Clare of Assisi, alongside a powerful narrative about the historical bombing of Hiroshima. These

tales are infused with a humanitarian spirit, showcasing the compassion and bravery of those who sacrificed, sparking profound reflections.

The Hollywood entertainment industry is missing out on a golden opportunity—Sonia deserves the spotlight on movie sets and in cinemas! It's time for her talent to shine and captivate audiences everywhere.
