

Stefan Hollaender Creates an Ethereal Techno Journey with Latest Track 'Shadows'

Join a spectacular musical journey of Techno music with veteran music artist Stefan Hollaender and his latest creation 'Shadows'. It has also been released with an AI-powered music video.

Mannheim, Baden-Wurttemberg Jun 4, 2025 ([Issuewire.com](https://www.issuewire.com)) - Blending the anthem-like energy into a fast-paced electronic composition, versatile music producer **Stefan Hollaender** has come up with a brand new song that can resonate with global music lovers. Deftly produced with an additional layer of creativity; the track is currently creating a huge buzz among the fans. The song is called '**Shadows**' and just like the name suggests, it offers the authentic truth of life that is often covered with the 'Shadows of lies'. The song was released with an official music video where the anthem is accompanied by an AI-generated video. Creatively produced, this track spans for around 3 minutes and 40 seconds but the soundscape it creates offers a lingering effect with a long-lasting impact. It is truly an amazing masterpiece for all kinds of music lovers.

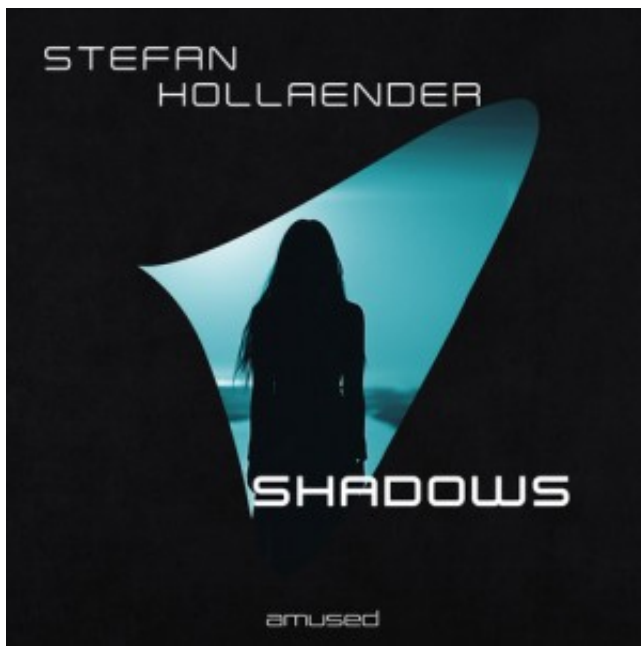

'[Shadows](#)' released on 9th of May 2025 under the label of Amused Records. Within less than a month, the song gained a lot of attention from the techno music lovers due to its creative grooves and the amazing usage of vocals. The lyrical approach in the track is also quite intriguing and offers a deeper retrospective life. This track is adding more power and creativity to Hollaender's dynamic discography.

Stefan Hollaender started his musical journey back in 1992 when he co-founded a trance music project with Bob Henning which was known as 'Alien Factory'. The Alien Factory received a lot of

attention from the industry and later on, Hollaender became the operator for the professional recording studio "Toolbox Music" where he worked with Hendrik Wilhelms. While working in the studio, he helped numerous artists to get their records right. He has also worked as a sound engineer and at a radio station and the journey continues. With such diversified musical talent and skills, Hollaender is currently one most creative music producers and artists in the evolving music industry. Constantly improving his craft for his fans, this music artist has been working in the field for many years now. Follow him on [YouTube](#) and [Apple Music](#) to listen to his music. He is also available on [Facebook](#) and [Instagram](#).
