

Stephanie Herber, DNP, CNL, CCRN: PICU RN & Subject Matter Expert at Cincinnati Children's Hospital Medical Center

Driving Innovation in Pediatric Critical Care Through Expertise, Compassion, and Clinical Excellence

Center is proud to recognize Stephanie Herber, DNP, CNL, CCRN, for her unwavering dedication and impactful contributions to pediatric nursing. With nearly two decades of experience, Stephanie has become a vital member of the Pediatric Intensive Care Unit (PICU) team, demonstrating an exemplary commitment to patient care and nursing leadership.

Stephanie began her nursing journey after graduating with an Associate of Science in Nursing Degree in 2006. Initially working in the adult Intensive Care Unit (ICU), she transitioned to the pediatric ICU in 2008, where her passion for caring for children in critical conditions flourished. Her extensive experience in both adult and pediatric care has provided her with a unique perspective, allowing her to bridge gaps in care and advocate for the needs of her young patients and their families.

Over the years, Stephanie has developed and led numerous initiatives aimed at improving practice and addressing challenges within the unit and across the hospital. Her innovative approaches have not only elevated the standard of care but have also empowered her colleagues to implement best practices in pediatric nursing. Most recently, Stephanie proudly earned her Doctor of Nursing Practice Degree from Mount St. Joseph University in May 2024, further enhancing her expertise in the field.

In recognition of her outstanding contributions, Stephanie was nominated for the prestigious Rising Star Leadership Program in 2021, highlighting her potential as a future leader in nursing. In 2023, she was awarded the Leadership in Nursing accolade, a testament to her exceptional leadership skills and commitment to advancing nursing practice.

As Stephanie Herber continues her journey in pediatric nursing, her commitment to excellence remains unwavering. Her passion for improving patient outcomes and fostering a collaborative environment among her colleagues positions her as a leading advocate for pediatric healthcare.
