

Tiffany Johnson, BSN-RN, MSN-FNP, APRN, Joins Madison Health West Jefferson as a Certified Family Nurse Practitioner

Dedicated to Primary Care with a Focus on Patient-Centric Care

New York City, New York Jun 22, 2025 ([Issuewire.com](https://www.issuewire.com)) - Tiffany Johnson, BSN-RN, MSN-FNP, APRN, has joined Madison Health West Jefferson as a Certified Family Nurse Practitioner. She has been with the organization since 2022. Tiffany brings a wealth of experience and a strong commitment to patient care, working in a primary care setting that includes walk-in care for the community.

Tiffany's extensive background in nursing equips her to treat patients of all ages, from pediatric to

geriatric populations. She emphasizes the importance of building relationships with her patients, fostering an environment of trust and open communication. “I believe in a collaborative approach to healthcare where patients are actively involved in their care plans,” Tiffany said. “My goal is to help each patient achieve their specific health and wellness goals through individualized care.”

A native of London, Ohio, Tiffany graduated from London High School in 2009 before earning her Bachelor of Science in Nursing from Mount Carmel College of Nursing in 2013. She began her nursing career in Trauma/ER/critical care, where she honed her skills in delivering compassionate care in high-pressure settings. In 2020, she completed her Master of Science in Nursing as a Family Nurse Practitioner from the same institution, further expanding her ability to serve diverse patient needs.

With more than a decade of nursing experience, Tiffany’s expertise spans urology, critical care, emergency departments, trauma, urgent care, primary care, and post-anesthesia care. She is also a proud member of the American Association of Nurse Practitioners, reflecting her dedication to ongoing professional development and adherence to the highest standards of care. She is a medical provider volunteer for her local church organization and enjoys precepting nurse practitioner students.

Tiffany credits her success in the field to the inspiration from her aunt, who sparked her passion for nursing, and her mentor, Beth Simon, FNP, who has been instrumental in her professional journey. “Their support has been invaluable in shaping my career and commitment to improving healthcare practices,” she said.

Outside of her professional life, Tiffany enjoys quality time with her husband, two young children, Carson and Adalyn, and their 2 goldendoodles. Her interests include walking, deer hunting, shopping at Target, spending time with family, camping at state parks, and cheering for the Cincinnati Bengals and Ohio State Buckeyes.
