

Tip Top Arborists Celebrates Over 45 Years of Tree Care Excellence and Community Commitment in Lancaster, CA

Honoring 45+ Years of Trusted Tree Care and Looking Ahead to an Even Greener Future

Lancaster, California Jun 19, 2025 ([Issuewire.com](https://www.issuewire.com)) - [Tip Top Arborists](https://www.tip-top-arborists.com), a leading tree care company serving Southern California, is proud to celebrate over 45 years of service to the region. Since 1976, the company has provided expert tree services to homeowners, businesses, and municipalities, earning a reputation for reliability, safety, and environmental responsibility.

Founded in the Antelope Valley, Tip Top Arborists began as a small operation committed to professional, affordable tree care. Today, it has grown into one of the most respected names in the industry—backed by [ISA-certified arborists](#), a fully insured team, and thousands of successful projects across the state.

“This milestone isn’t just about longevity, it’s about trust,” said Jim Lewandowski, Owner of Tip Top Arborists. “We are sincerely grateful for the clients who have supported us and the communities that have welcomed us. It has been an honor to care for the trees and properties that make this region so special.”

Over the years, the company has handled everything from routine pruning and trimming to complex removals and emergency storm response. Beyond technical expertise, Tip Top Arborists is recognized for its customer-first approach and its contributions to community events, disaster recovery programs, and public education around tree care and safety.

As it celebrates this major milestone, Tip Top Arborists is renewing its pledge to deliver honest, high-quality service with every job. This includes investing in eco-conscious equipment, continued staff training, and enhanced service offerings to meet the evolving needs of California property owners.

“To every family, business, and city that has chosen Tip Top Arborists over the past 45 years, thank you,” added Jim Lewandowski. “We’re proud to have earned your trust, and we look forward to continuing to serve with excellence for decades to come.”
