

Tresa Cerny, RN, Enhances Patient Care at Lake Regional Hospital

Honoring Compassion, Commitment, and Excellence in Nursing

New York City, New York Jun 19, 2025 ([IssueWire.com](https://www.issuewire.com)) - Tresa Cerny, RN, a dedicated and compassionate Registered Nurse at Lake Regional Hospital, is making significant strides in patient care, reflecting her unwavering commitment to enhancing the quality of life for those she serves. A proud graduate of Lehigh University, Tresa earned her Nursing Degree in 1987 and has since become a vital member of the healthcare team at Lake Regional Health System.

With a focus on communication, safety, and trust, Tresa embodies the core values that define exceptional nursing care. Her ability to connect with patients, listen to their concerns, and provide reassurance has made her a trusted figure in the community. Tresa's approach not only addresses the medical needs of her patients but also nurtures their emotional and psychological well-being, ensuring a holistic healing experience.

Lake Regional Health System, situated in the heart of the Lake of the Ozarks, is committed to providing comprehensive healthcare services to the community. The state-of-the-art facility boasts a 116-bed hospital equipped with private rooms, an extensive Outpatient department, and a 35-bed Emergency Department. As a state-designated Level III Trauma Center, Lake Regional Hospital treats over 37,000 patients annually, offering specialized care that includes an Intensive Care/Cardiac Care Unit and a Progressive Care Unit. The Family Birth Center features a Level II Nursery, while the hospital has also achieved recognition as a Level II Stroke Center and Level II STEMI (heart attack) Center, all accredited by The Joint Commission.

In recognition of her exemplary nursing practice, Tresa was honored as a Book Viral Millennium Award Finalist in 2017, a testament to her dedication and skill in the field. Her passion for nursing and commitment to patient care continue to inspire both her colleagues and the patients she serves.

As Tresa Cerny continues her journey as a nurse at Lake Regional Hospital, she remains focused on her mission to provide compassionate care that meets the diverse needs of the community. Her work not only exemplifies the best practices in nursing but also reinforces the hospital's commitment to excellence in healthcare.
