

“World Peace: A Fantasy?” by Oluwafemi Akinkugbe Ignites a Global Call to Action for Peace

Stockbridge, Georgia Dec 9, 2025 ([IssueWire.com](https://www.issuewire.com)) - "World Peace: A Fantasy?" by Oluwafemi Akinkugbe is a powerful and thought-provoking book that explores the challenges to achieving global harmony. Released on February 8, 2024, and now available on Amazon Kindle, the book sheds light on the real issues standing in the way of peace and urges readers to become active participants in

changing the world.

About the book:

In this compelling work, Akinkugbe examines the many roadblocks to peace from deeply rooted ideological differences to violent conflict using real-world examples that resonate with readers today. He takes us through the inspiring history of peace movements and how they have shaped modern society. More than just a book, it's a wake-up call for today's youth, pushing them to stand against violence and champion peace in their communities. The message is clear: each one of us has the potential to drive meaningful change. With practical insights and emotional impact, "World Peace: A Fantasy?" challenges the reader to rise beyond apathy and become a voice for peace in an increasingly divided world.

About the Author:

Dr. Oluwafemi 'Femi' Akinkugbe is not only an accomplished academic and U.S. Army veteran but also a man of faith and philanthropy. Through his Femi Akinkugbe Foundation, he empowers young students toward excellence. This book is a reflection of his lifelong commitment to service, truth, and transformation—a must-read for anyone who believes in a better tomorrow.
