

Worxwide Consulting is Set to Host India's Top CXOs at SalesX – Sales Transformation Summit 2025 | 4th July - Mumbai

Delhi, India Jun 24, 2025 ([Issuewire.com](https://www.issuewire.com)) - The race to modernize sales is no longer optional—it's urgent. In a business world led by automation, AI, and customers who expect more, over **60 CXOs and senior decision-makers** are coming together under one roof to tackle one bold agenda: **transforming sales for a faster, smarter, and more human era of growth.**

Introducing **SalesX – Sales Transformation Summit 2025**, a high-powered experience hosted by **Worxwide Consulting**, bringing India's most influential voices in [sales transformation](#), marketing, [customer experience](#), and revenue strategy to the heart of Mumbai at **Novotel, Juhu**.

The summit will see participation from senior leaders of **Jaquar, Salesforce, TATA AIG, Asian Paints**, and several other trailblazing enterprises—making it one of the most exclusive CXO-focused gatherings this year.

What Makes SalesX 2025 a Game-Changer?

This isn't your average conference packed with keynote fluff. SalesX is designed for those who drive results and influence transformation inside the boardroom. Attendees can expect:

- **Unfiltered conversations** between revenue leaders and sales tech disruptors

- **Live AI and automation tech demos** that show—not tell—how to improve funnel efficiency
- **Actionable strategies** to revamp GTM models, eliminate pipeline friction, and build resilient sales ops
- **Closed-door peer sessions** with CXOs sharing what’s really working (and what’s not)
- **Hard-hitting panels** decoding everything from CRM automation to building customer-first cultures

Themes That Matter:

- **AI & Automation in Sales:** From hype to hands-on impact
- **Future-Proofing Revenue Engines:** Strategy meets speed
- **Sales Culture 2.0:** Mindset, metrics, and modern selling
- **GTM Redesign:** Breaking silos between sales, marketing, and product
- [Full Funnel Optimization](#): Data-led decisions across every stage of growth

“At a time when the buyer is more informed, the funnel is more complex, and speed is everything—this summit creates the space to rethink how we sell, lead, and grow,” said **Mohit Singla, Founder & CEO** - [Worxwide Consulting](#). “We’re not talking theory—we’re bringing real challenges, real tech, and real voices to the table.”

Whether you’re a revenue leader ready to scale smarter, a sales head building for tomorrow, or a CXO driving digital-first change, **SalesX is where those decisions begin.**

If you’re a business leader who owns growth, this is where you’ll meet your next big shift.
