

4H Roofing Reaffirms Its Position as Zebulon's Trusted Roofing Contractor Amid Fraudulent Clone Website

The locally owned, licensed roofing contractor strengthens visibility with official updates, ensuring customers can find accurate information online.

Barnesville, Georgia Jul 25, 2025 ([Issuewire.com](https://www.issuewire.com)) - 4H Roofing, a licensed and insured, family-operated roofing company based in Zebulon, Georgia, is taking steps to reassure customers of its legitimacy and continued dedication to serving homeowners and businesses across the state. The company is actively addressing a fraudulent website that cloned 4H Roofing's original site, misleading potential customers by using stolen content and a false phone number.

"4H Roofing is a local business built on trust, quality, and community," said Jason James, owner of 4H Roofing. "We want to make sure customers know exactly how to find and contact us, and that they're working with the real 4H Roofing team they can rely on."

While the cloned website is currently under investigation and removal requests are underway, 4H Roofing is doubling down on ensuring customers can find accurate information. Customers can verify services and contact details directly at <https://4hroofing.com> or by calling **(404) 844-8552**.

4H Roofing specializes in:

- **Residential Shingle Roofing** (most requested service)
- **Metal Roofing**
- **Roof Repairs & Replacements**
- **Gutters & Gutter Guards**
- **Siding and Exterior Services**
- **Commercial TPO Roofing**

The company is fully licensed and insured, with deep local roots and a reputation for speed, quality workmanship, and personalized customer service.

4H Roofing encourages anyone seeking roofing services in Zebulon or surrounding areas to verify they are dealing directly with the company by visiting the official website or contacting their office directly.
