Seattle, Washington Jul 20, 2025 ([Issuewire.com](https://www.issuewire.com)) - The first collaboration between a Russian rapper and Playboi Carti

The Russian rap scene is preparing for an unprecedented event. On July 25, 2025, the album **Around Da World** by the rising star of Russian hip-hop **Emingread** will be released.

The main event of the album will be a joint track **Stilpane** with **Playboi Carti** — this is the first time in history that an American artist of this level has participated in recording a Russian-language rap track. This collaboration marks a new era in the development of Russian hip-hop culture and the erasure of boundaries between the musical traditions of different countries.

The release is especially significant due to the participation in the recording of the album of the artist **ARAMTWTWO**, who creates a unique creative trio capable of rethinking modern musical trends.

The album tracklist, published on **Emingread** social networks, has already caused an unprecedented stir among fans and industry experts. Fans are eagerly awaiting the opportunity to appreciate the result of this unprecedented creative union.

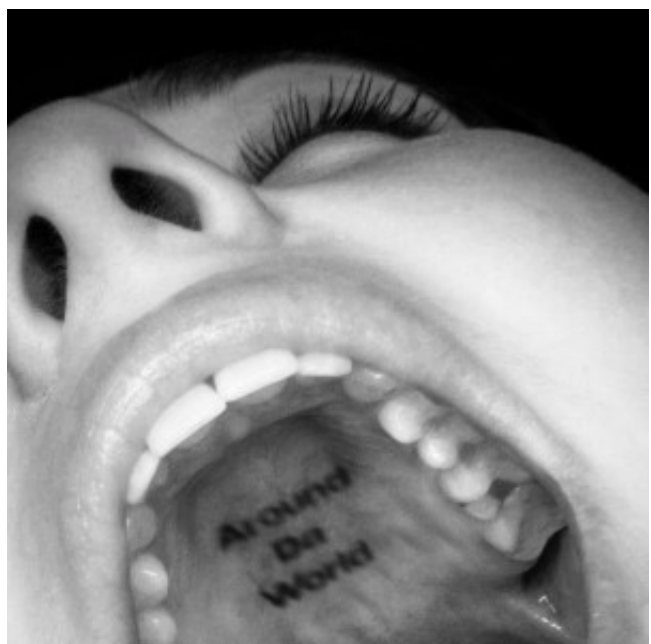

Around Da World is not just an album, it is a statement about Russian rap's readiness for global recognition and its ability to create world-class content. This release will be an important milestone in the history of the Russian music industry and will strengthen **Emingread**'s position as one of the most promising artists of the new generation.

Don't miss the release of **Around Da World** on July 25, 2025 — an event that will go down in the history of Russian rap!
