

Aczen Launches GST Compliance Services — A Fintech Platform Built by Students, for India's SMBs

Young minds. Bold tech. Smarter tax solutions for India's business backbone.

Hyderabad, Telangana Jul 6, 2025 ([Issuewire.com](https://www.issuewire.com)) - Aczen, a student-founded fintech company, proudly unveils **Aczen Bilz**, a smart and reliable GST compliance platform designed to make tax management easier for India's Small and Medium-sized Businesses (SMBs).

This revolutionary platform is developed entirely by student engineers with a vision to simplify financial compliance through automation and intuitive technology. Aczen Bilz aims to remove the hurdles small business owners face with GST filing, reconciliation, and statutory compliance.

"Our goal is simple — to make compliance accessible and stress-free for SMBs," said **Uma Surya Srinivas**, Founder and Managing Director of Aczen. "Most startups and local businesses waste time and resources trying to navigate tax complexities. Aczen Bilz handles it with the click of a button."

Core Features of Aczen Bilz:

- **🔗 GST Return Filing** (GSTR-1, GSTR-3B, etc.)
- **🔗 Invoice Reconciliation and E-Invoicing**
- **🔗 Real-Time Tax Calculations**
- **🔗 Automated Payouts to Vendors**
- **🔗 vCFO (Virtual CFO) Guidance for Financial Planning**
- **🔗 Simple Dashboard with Alerts and Notifications**

Built with a user-first design, Aczen Bilz eliminates dependency on external agents or expensive software. The platform is also seamlessly integrated with Aczen's other fintech services like business accounts, digital payments, and analytics.

Why It Matters:

In India, compliance is often a pain point for small businesses. Delays, errors, and penalties affect cash flow and credibility. Aczen Bilz offers an affordable and accurate solution tailored to their needs.

Aczen Technologies continues to break boundaries in the fintech sector — proving that age is no barrier to innovation. With a team of young minds passionate about finance and technology, Aczen is redefining how India's SMBs grow, save, and stay compliant.
