Dr. Nasar Abdul Wadood

Founder

Dehiwala-Mount Lavinia, Colombo Jul 31, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Align Dental Care is rapidly gaining recognition as the Best Dental Clinic in Sri Lanka, offering world-class dental care with advanced technology and patient-centered services. Located in Dehiwala, this modern clinic is transforming the dental experience for people across the country. Established in 2010, Align Dental Care has become a hallmark of advanced dental care in Sri Lanka, operating from Dehiwala and

additional branches in Piliyandala and Colombo.

Led by the renowned Dentist in Sri Lanka, Dr. Nasar Abdul Wadood, Align Dental Care specializes in both general and cosmetic treatments, making it a top choice for patients searching for reliable and experienced Dentists in Sri Lanka.

Why Align Dental Care is Among the Top Dental Clinics in Sri Lanka

With a focus on accuracy, innovation, and trust, Align Dental Care is a preferred Dental Clinic in Sri Lanka for families and individuals seeking safe, comfortable, and customized dental care. The clinic is also the first certified Digital Smile Design (DSD) clinic in South Asia, placing it at the forefront of digital dentistry in the country.

Patients can expect a wide range of services, including:

- Routine check-ups and cleanings
- Smile makeovers using DSD technology
- Dental implants, crowns, and bridges
- Braces and clear aligners
- Root canal and gum treatments
- Wisdom tooth removal
- Pediatric dental care

Whether you're looking for preventive care or a smile transformation, Align Dental Care offers the expertise and technology you can trust.

Pioneering Digital Smile Design in South Asia

Align Dental Care is proud to be the first certified Digital Smile Design (DSD) clinic in Southeast Asia, allowing patients to preview their new smiles through cutting-edge 3D simulation. This technology, along with personalized aesthetic planning, sets them apart as the Best Dental Clinic in Colombo and a trusted name for digital cosmetic dentistry.

Whether it's teeth whitening, aligners, or full-mouth rehabilitation, the clinic's use of DSD ensures that each smile transformation is both natural and stunning.
