

Amanda Morrison, BSN, RN, Enhances Facial Plastic Surgery Care in Cincinnati

Experienced Facial Plastics Nurse Dedicated to Patient-Centered Aesthetic and Reconstructive Services

New York City, New York Jul 3, 2025 ([IssueWire.com](https://www.issuewire.com)) - Amanda Morrison, BSN, RN, a skilled Facial Plastics Nurse, has joined the University of Cincinnati's facial plastic surgery practices, bringing specialized nursing expertise and compassionate care to patients seeking both aesthetic and reconstructive treatments.

Amanda holds a Bachelor of Science in Nursing and is a licensed Registered Nurse with focused experience in scar revision and facial plastic surgery. Practicing in Cincinnati, Ohio, she provides comprehensive preoperative and postoperative care, patient education, and support throughout the surgical journey, ensuring optimal outcomes and patient satisfaction.

In her role, Amanda assists surgeons in delivering advanced facial procedures ranging from cosmetic enhancements to reconstructive surgeries. Her attention to detail and empathetic approach help patients feel comfortable and informed, while her clinical skills ensure safety and quality care during all phases of treatment.

Known for her patient advocacy and clear communication, Amanda is committed to empowering individuals through education and personalized care. She works closely with patients to address their concerns and goals, fostering trust and confidence throughout their experience.

Looking ahead, Amanda plans to continue advancing her skills and expanding services in scar revision services and facial plastics nursing within Cincinnati. Her dedication to excellence and patient-centered care positions her as a key member of the local healthcare team, helping patients achieve their desired aesthetic and reconstructive outcomes.
