

ATEEZ Releases “In Your Fantasy” Edition of GOLDEN HOUR: Part.3, Celebrates Billboard Milestone with U.S. Stadium Tour

Seoul, South Korea Jul 11, 2025 ([IssueWire.com](https://www.issuewire.com)) - Global K-pop powerhouse ATEEZ returns with a new chapter in their record-breaking journey. Today, the eight-member group unveils a special GOLDEN HOUR: Part.3: In Your Fantasy Edition, featuring the highly anticipated new track “In Your Fantasy,” following the success of their breakout single “Lemon Drop,” which recently earned the group its first-ever Billboard Hot 100 entry.

Known for their explosive performances, cinematic storytelling, and deep involvement in songwriting and production, ATEEZ continues to redefine global K-pop. Since debuting in 2018, the group has sold over seven million albums and headlined major festivals including Coachella and Mawazine, becoming the first K-pop boy group to do so.

Their name, short for A TEEEnager Z, reflects their mission to represent every voice of a generation. Members Hongjoong and Mingi, who co-wrote “Lemon Drop” and several tracks on the new album, describe In Your Fantasy as a continuation of ATEEZ’s signature sound, blending trap, R&B, and electronic pop with introspective themes and emotional pull.

The single arrives alongside a deluxe reissue of GOLDEN HOUR: Part 3, a fan-favorite installment in the group's chart-topping series.

To mark the release, ATEEZ kicks off their In Your Fantasy World Tour 2025, a 12-city stadium run across North America. The tour launches July 10 in Atlanta and includes major stops in New York, Los Angeles, Chicago, and Mexico City, promising an immersive, high-energy experience that only ATEEZ can deliver. Fans (dubbed ATINY) can expect bold stage production, exclusive live debuts, and unforgettable moments.

GOLDEN HOUR: Part.3 – In Your Fantasy Edition is available now on all streaming platforms. Tickets for the world tour are on sale at ateezlive.com.
