Guwahati, Assam Jul 6, 2025 ([Issuewire.com](https://www.issuewire.com)) - AxomRealty, Guwahati's homegrown property discovery platform, is changing how homebuyers find flats in the city — with zero brokerage and verified listings. Launched with the mission to simplify the flat-buying journey in Assam, AxomRealty offers

curated options ranging from ready-to-move 2 BHK units to affordable under ₹65 lakh properties.

Unlike traditional brokers, AxomRealty focuses on transparency, legal clarity, and convenience. Every listed property undergoes a multi-point verification process, and the platform features detailed project insights, high-quality visuals, and accurate floor plans.

“We saw the gap where buyers struggled to find trustworthy listings online. AxomRealty bridges that with honest, up-to-date property data and location-specific filters,” said a spokesperson for AxomRealty.

The platform is now expanding its digital footprint through blogs, buyer guides, and area-wise SEO pages that help users make informed decisions. From Six Mile to Beltola and beyond, AxomRealty is actively onboarding builders and listing new properties daily.

Whether it's a young couple looking for their first 2 BHK, or an investor eyeing projects near GS Road, AxomRealty aims to be their go-to real estate ally.

Explore listings, connect directly, and book site visits with just a few clicks.
