Delhi, India Jul 6, 2025 (Issuewire.com) - In the ever-evolving digital world, establishing a unique brand identity has become more important than ever.

SocialGo™, a rising digital marketing agency based in Delhi, has taken a bold step by officially filing its trademark under **Class 35**, solidifying its brand name and credibility in the market.

Founded by **Anand Kumar**, SocialGo™ offers cutting-edge services like SEO, Google Ads, social media marketing, influencer marketing, website development, and brand promotions for businesses across India.

“We’re not just another agency — we’re your digital partner,” says Anand.

“Our goal is to make small and medium businesses visible, profitable, and future-ready using creative online strategies.”

With clients across Delhi NCR and beyond, SocialGo™ has already delivered results through:

- Google My Business SEO
- Graphic & video ad creation
- Local brand optimization
- Affordable, result-oriented campaigns

The recent trademark filing (Application No. **7099226**) reflects the agency’s commitment to protecting its identity, ensuring trust, and scaling its services pan-India.

SocialGo™ is also MSME registered and ISO-certified, making it a reliable choice for companies looking for consistent, professional, and affordable digital solutions.
