

Bharat Dasani, MD: A Leader in Gastroenterology Care in New Jersey

Combining Expertise and Empathy for Exceptional Patient Care in Digestive Health

New York City, New York Jul 30, 2025 ([Issuewire.com](https://www.issuewire.com)) - Bharat Dasani, MD, a distinguished gastroenterologist and the Medical Director of GI Endoscopy Practice, is dedicated to delivering state-of-the-art diagnostic and treatment methods while ensuring the highest quality of care for his patients. With offices in Riverdale and Parsippany, New Jersey, Dr. Dasani has made it his mission to prioritize

understanding the individual needs of each patient, delivering care with empathy and compassion.

Dr. Dasani's practice focuses on a comprehensive array of gastroenterological issues, including colon polyps, gastroesophageal reflux disease (GERD), irritable bowel syndrome, liver disorders, and ulcerative colitis. He also provides crucial services such as colon cancer screenings and procedures, including colonoscopies and endoscopies. His approach emphasizes making these procedures as smooth and easy as possible, ensuring that patients feel comfortable and informed throughout their healthcare journey.

"Understanding my patients' unique needs is essential to providing effective care," says Dr. Dasani. "I believe that empathy and communication are just as important as advanced medical techniques in achieving optimal health outcomes."

In addition to his clinical expertise, Dr. Dasani collaborates closely with other healthcare professionals involved in patient care, which enhances the treatment process and optimizes overall health outcomes. His commitment to teamwork and comprehensive care underscores his dedication to the well-being of his patients.

Dr. Dasani's extensive professional background includes serving as the Chairman of the Dietary Committee at Chilton Medical Center in Pompton Plains, New Jersey. He is also affiliated with Saint Joseph's Hospital in Wayne and Saint Clare's Hospital in Denville, further expanding his network of care and resources for patients.

Originally from India, Dr. Dasani completed his medical education at M.P. Shah Medical College in Jamnagar, where he earned his Bachelor of Medicine, Bachelor of Surgery Degree, and Master of Science Degree. After practicing as a surgeon for several years, he relocated to the United States to deepen his understanding of global healthcare needs.

Upon arriving in the U.S., Dr. Dasani completed his internship at Nassau University Medical Center in East Meadow, New York, followed by a residency in internal medicine at Monmouth Medical Center in Long Branch, New Jersey. He then pursued a fellowship in gastroenterology at Mount Sinai Hospital in New York City, where he honed his skills in digestive health.

Dr. Dasani is board-certified in both gastroenterology and internal medicine by the American Board of Internal Medicine, a prestigious organization dedicated to advancing medical standards. He remains actively engaged in his field by being a member of several professional organizations, including the American College of Gastroenterologists, the American Society for Gastrointestinal Endoscopy, the American Gastroenterological Association, the American Medical Association, and the American Association for the Study of Liver Diseases. His commitment to ongoing education and professional development is evident through his numerous contributions to medical publications and research.

Throughout his career, Dr. Dasani has received multiple accolades recognizing his excellence in the field, including First rank in the SSCE Exam, First rank in the Pre-Uni Science Exam (an entrance exam for medical school), the National Merit Scholarship Award during his tenure in medical school, a Prize for a published manuscript during his residency in internal medicine, and the NRSA Award from NIH for research during his fellowship in gastroenterology. His passion for medicine and dedication to patient care have driven his success and continue to inspire him in his practice.

"I have always wanted to be a doctor," reflects Dr. Dasani. "The ability to help patients improve their health and quality of life is what motivates me every day."
