

Boxing, Mixed Martial Artist, to the Page- Jerrell Jones debuts with new book, Fight 2 Achieve

Jackson, Mississippi Jul 29, 2025 ([IssueWire.com](https://www.issuewire.com)) - Jackson, Mississippi, but a native of the long-star state, Texas Jerrell Jones shares a wealth of experiences. With his latest book ***Fight 2 Achieve*** have proven to impact the marketplace. His unique approach is in a class of its own : self help, motivation, redemption, rich in spirit, and explosive action, all highlights with a detailed narrative format. Readers are hooked from the opening line to the ending. Imagine a teacher coaching you with some bonus tips on how to fight and get in shape as a commercial break while your watching the movie.

From the squared circle and octagon, as a fighter in the ring, permits Jerrell an edge and he utilize it to the point where you feel, hear, and see just as the characters does. A true gift in diving deep and making readers feel the intensity. Writing have been apart of his life every since his therapist instructed him to do so as a nine year old boy, ambling through the corridors depressed and hurt from the lack of love and damaging unforeseen occurrences that life can leave on a youth psyche. It became one his favorite things to do. Write about his feelings. Write about his environment. Write about his siblings and friends. Recalling in an interview, *"Fighting and Writing saved my life. It teleport me to another dimension. When the world turn ugly, I pick up my pencil and just write. Minutes into writing I'm no longer in the current."*

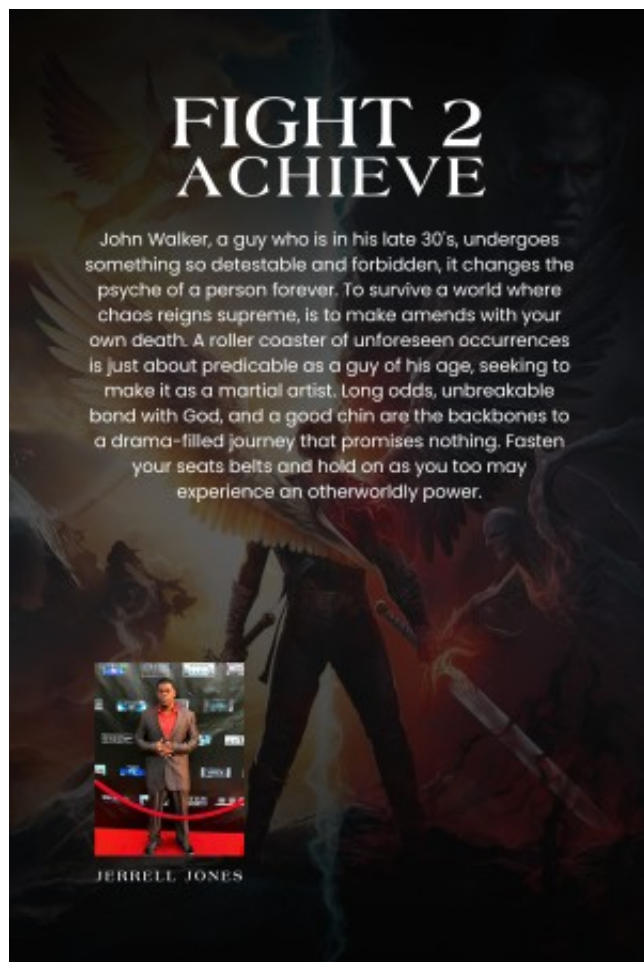

Don't miss the opportunity to grab a copy. ***Fight 2 Achieve*** Live on Amazon: <https://a.co/d/djIBaXx> is much more than just martial artist and fighting. To achieve anything in life, you have to fight for it. When mankind was giving life, it was free but we have to fight, proving that we are worthy of having this life.
