

Build a Rewarding Career with the Certified Dental Assistant Program at National Dental Academy

Wausau, Wisconsin Jul 25, 2025 ([Issuewire.com](https://www.issuewire.com)) - If you're searching for a fast, reliable, and fulfilling way to enter the healthcare industry, a [Certified Dental Assistant Program](#) may be the perfect path for you. At the **National Dental Academy**, we specialize in equipping students with the skills, knowledge, and confidence they need to succeed as dental assistants—one of the most in-demand healthcare roles in the country.

Our nationally recognized programs are designed to offer more than just education—we deliver career-building experiences that prepare students for real-world success.

Why Choose a Certified Dental Assistant Program?

The role of a dental assistant is essential in any dental practice. From preparing treatment rooms and assisting dentists during procedures to taking x-rays and handling patient records, dental assistants are at the heart of dental care.

Enrolling in a **Certified Dental Assistant Program** ensures you're trained in the core skills needed to thrive in a clinical setting, while also meeting the requirements to pursue certification. Certification demonstrates your commitment to excellence and opens doors to better job opportunities and higher salaries.

At the **National Dental Academy**, we make becoming certified simple, accessible, and achievable.

What Makes National Dental Academy the Best Choice?

When it comes to dental education, quality matters. Here's why students across Wisconsin and beyond are choosing the National Dental Academy for their certified dental assistant training:

1. Comprehensive Curriculum

Our program covers every essential area of dental assisting, including:

- Dental anatomy and terminology
- Infection control and sterilization
- Chairside assisting techniques
- Dental radiography (x-rays)
- Patient communication
- Front office procedures

Each module is designed to align with the standards needed to pass certification exams and enter the dental field with confidence.

2. Flexible Learning Options

We understand that many of our students juggle work, family, and other responsibilities. That's why we offer flexible training options—including evening and **weekend classes**, as well as hybrid and online coursework. You can learn at your own pace without sacrificing your goals.

3. Hands-On Training

While classroom knowledge is vital, we also believe in learning by doing. Our students gain real-world experience through hands-on labs and optional externships at local dental practices. This practical training ensures you're truly job-ready upon graduation.

4. Expert Instructors

Our instructors are not just educators—they're experienced dental professionals who bring real-world insights into every lesson. They mentor, guide, and support students throughout the program, offering valuable feedback and career advice.

5. Job Placement Support

At **National Dental Academy**, we're invested in your long-term success. That's why we provide career support services including resume assistance, interview coaching, and job placement connections with local dental clinics and healthcare employers.

Benefits of Becoming a Certified Dental Assistant

Becoming a certified dental assistant opens the door to a world of possibilities:

- **Job Stability:** Dental assistants are in high demand across the U.S., with strong job growth projected.
- **Career Advancement:** Certification sets you apart and can lead to higher pay and supervisory roles.
- **Personal Fulfillment:** Help patients smile confidently while working in a professional, respectful environment.
- **Quick Entry into the Workforce:** Most students complete the program and become certified within months—not years.

Locations Across Wisconsin

The **National Dental Academy** proudly serves students across Wisconsin, including locations in:

- **Madison**
- **Kenosha**
- **Wausau**

No matter where you're located, our certified dental assistant program is designed to be accessible and convenient.
