

Cabex India Introduces Advanced Industrial Cable Glands Accessories for Enhanced Electrical Safety and Performance

With a Focus on High Quality Cable Gland and Earthing System Accessories, Cabex India Sets New Standards in Electrical Connectivity

Jamnagar, Gujarat Jul 4, 2025 ([IssueWire.com](https://www.issuewire.com)) - In a significant step towards elevating industrial electrical safety and connectivity, **Cabex India**, a leading manufacturer and supplier of premium electrical components, has officially launched its new range of **[Industrial Cable Glands Accessories](#)**. This innovative product line is engineered to meet the rising demands of industrial, commercial, and infrastructure sectors across India and overseas.

With the rapid evolution of electrical systems and growing emphasis on safety compliance, Cabex India's cable glands and accessories offer unmatched performance, durability, and adaptability. The products are designed to withstand harsh environments, making them ideal for industries such as manufacturing, construction, oil and gas, energy, automation, and telecommunications.

Why Cabex India's Industrial Cable Glands Accessories Stand Out

Cabex India has carved a niche for itself in the Indian electrical industry through consistent quality, innovative designs, and customer-oriented services. Their latest launch of **industrial cable glands accessories** aims to provide clients with reliable cable termination and sealing solutions that ensure complete mechanical protection and environmental sealing.

The new range includes:

- **High Quality Cable Gland** (Brass, Nylon, Stainless Steel)
- **PVC Shrouds, Locknuts, Earth Tags, and Reducers**
- **Sealing washers, conduit accessories, and cable cleats**
- **EMC and IP-rated glands** for high-protection environments

All products are compliant with **international electrical standards**, ensuring safety and reliability for critical applications.

“Electrical safety and operational continuity start with the right components. At Cabex India, we’ve always prioritized quality and innovation, and our new line of **industrial cable glands accessories** and [Earthing System Accessories](#) is no exception,” said the Marketing Head at Cabex India.

Application & Benefits

Cabex India's products are suitable for:

- **Power Plants & Substations**
- **Heavy Engineering Industries**
- **Control Panels & Switchboards**
- **Telecommunication Infrastructure**
- **Automation & Robotics**

Key benefits include:

- **Reliable cable retention & strain relief**
- **Flame retardant and UV-resistant materials**
- **High ingress protection (IP65/IP67/IP68)**
- **Corrosion resistance for outdoor & marine use**
- **Effective grounding with robust earthing system accessories**

Also Featuring: Earthing System Accessories

To complement the performance of cable glands, Cabex India also offers a full range of **earthing system accessories** including:

- **Earth Rods**
- **Clamps & Couplers**
- **Earth Bars & Disconnecting Links**
- **Earthing Lugs & Strips**

These accessories are crucial in reducing electrical hazards and ensuring that electrical installations remain compliant with safety norms. The integration of earthing and gland systems ensures a **complete electrical safety ecosystem** — from cable entry to ground fault protection.

Commitment to High Quality Cable Gland Solutions

What differentiates Cabex India from others in the market is their focus on delivering [High Quality Cable Gland](#) solutions that exceed expectations. All products undergo rigorous quality checks and are manufactured using premium-grade materials to ensure long-lasting performance.

Cabex is ISO-certified and follows **strict quality protocols** in its in-house manufacturing units located in India. Additionally, their customer support and technical guidance help clients choose the right solution for every use case — from simple cable management to complex industrial automation systems.

About Cabex India

[Cabex India](#) is a trusted name in the field of industrial electrical accessories. With a wide range of products including cable glands, connectors, earthing solutions, and customized electrical fittings, Cabex serves industries across India and abroad. Their core values lie in **innovation, quality, and customer satisfaction**.
