

## Capsule unveils B Corp 30 list: celebrating the UK's most impactful scale-ups

Comprehensive list showcases 30 leading B Corp certified companies driving innovation across sectors including FinTech, CleanTech and Consumer.

**London, United Kingdom Jul 30, 2025 ([Issuewire.com](https://www.issuewire.com))** - Capsule, a leading insurance broker specialist in supporting high-growth sustainable businesses, recently launched the B Corp 30 2025 list, a definitive showcase of the UK's most impressive B Corporation scale-ups. This prestigious annual list, supported by Cooper Parry, recognises 30 standout companies that have demonstrated exceptional growth and meaningful impact within the B Corp movement over the past year and can be viewed in full here: <https://capsulecover.com/bcorp-30-2025>

The B Corp 30 list features an impressive array of innovative companies spanning multiple sectors, from revolutionary FinTech platforms to groundbreaking CleanTech solutions, highlighting the diverse ways businesses can achieve both commercial success and positive social and environmental impact.

"The B Corp 30 represents the very best of purpose-driven business in the UK," said Co-founder and CEO of Capsule Thomas Wynne. "These companies are proving that commercial success and positive impact are not mutually exclusive. From FinTech platforms democratising green investment to CleanTech companies revolutionising sustainable technology, these B Corps are setting new standards for business excellence."

The B Corp 30 2025 reflects the accelerating growth of the B Corporation movement in the UK, where businesses are certified to meet the highest standards of verified social and environmental performance, public transparency, and legal accountability. These companies are part of a global community using their business acumen as a force for good.

The comprehensive profiles of each company highlight innovative business models, impressive growth metrics, and meaningful impact achievements, from givestar's facilitation of over 1 million donations raising £30M+ to TrustedHousesitters' 10 million nights of pet sitting across 140+ countries.

Several companies on the list have achieved significant investment milestones, including char.gy's £100m backing and Evergreen Life's impressive revenue doubling to £36m in just two years. The list demonstrates the growing investor confidence in B Corp businesses that prioritise both profit and purpose.

Capsule, with support from Cooper Parry and Sustainable Ventures, will be holding a B Corp 30 event on Thursday, 25th September 2025 (5:30pm-9:00pm at Sustainable Ventures, London, near Waterloo). The event celebrates the UK's most exciting sustainable scale-ups, bringing together founders, CFOs, COOs and leaders who view business as a catalyst for change.

Attendees can expect a live panel discussion with B Corp founders sharing insights on driving profit and purpose, their growth journeys, and perspectives on major shifts, including AI and evolving B Corp standards, plus networking opportunities with like-minded changemakers while enjoying drinks, food, and Thames views as they celebrate the 2025 B Corp 30 honorees.
